Here you will learn how to make self-compassion an active practice for the whole family with over 70 activities, crafts, meditations, and games. This guide for parents explains the benefits of teaching children about self-compassion and it offers advice, encouragement, and practices to enrich family life. Wendy O'Leary and Louise Shanagher, who have an extensive background and expertise in mindfulness, children's education, and psychology, introduce the basic concepts of self-compassion along with the benefits and the research that supports the practice. In communicating self-compassion to children, the authors emphasize the importance of focusing on a child's inherent value rather than on their external achievements and specify the benefits of self-compassion over self-esteem.
