He's always been her knight in armor. Anna DeWinter hasn't always had the best of luck with men. From early on, she learned hard lessons to never trust them, and it's why she keeps her relationships purely superficial. The only man she trusts other than her father is Max. He's always been the guy she could count on to support her dreams, even if she knows she isn't the woman for him. She's always been his complete opposite. Max Chandler has always admired Anna's free spirit. Whenever he gets too stuck in his own thoughts, he knows he can count on her to loosen him up. He's always kept her at arm's length because he knows he needs a certain amount of control, and Anna isn't the type of woman to give him that. But all that changes after his broken engagement and too much tequila. There's no going back to being just friends. One night will never be enough for either of them, but that doesn't mean it will be easy. Anna doesn't believe in happily ever after, but there is one thing she's about to learn about Max. When it comes to love, Max always plays to win. **WARNING** The following book contains super sexy times, graphic terms for body parts, torture via silk stockings, a
