A Little Primer Of Tu Fu:

A Little Primer of Tu Fu David Hawkes, 2016-06-21 The deepest and most varied of the Tang Dynasty poets Tu Fu Du Fu is in the words of David Hinton the first complete poetic sensibility in Chinese literature Tu Fu merged the public and the private often in the same poem as his subjects ranged from the horrors of war to the delights of friendship from closely observed landscapes to remembered dreams from the evocation of historical moments to a wry lament over his own thinning hair Although Tu Fu has been translated often and often brilliantly David Hawkes's classic study first published in 1967 is the only book that demonstrates in depth how his poems were written Hawkes presents thirty five poems in the original Chinese with a pinyin transliteration a character by character translation and a commentary on the subject the form the historical background and the individual lines There is no other book quite like it for any language a nuts and bolts account of how Chinese poems in general and specifically the poems of one of the world's greatest poets are constructed It's an irresistible challenge for readers to invent their own translations

A Little Primer of Tu Fu David Hawkes, 1967 **Where Theory and Practice Meet** Laurence Wong, 2016-08-17 *Where Theory and Practice Meet* is a collection of nineteen papers in translation studies Unlike many similar books published in recent decades which are mostly non translation oriented veering to issues with little or no relevance to translation this book focuses on the translation process on theory formulation with reference to actual translation on getting to grips with translation problems and on explaining translation in language which can be understood by the general reader Perceptive and wide ranging the book covers language pairs that include Chinese English French German Italian Spanish Latin and Classical Greek and discusses among other things translations of Dante's *La Divina Commedia* translations of Shakespeare's *Hamlet* Goethe's *Prometheus* as a case of untranslatability the challenge of translating Garcilaso de la Vega's *Primera gloga* into Chinese John Minford's translation of martial arts fiction and Lin Shu's translation of Alexandre Dumas's *La Dame aux camélias*

The Reception of Du Fu (712-770) and His Poetry in Imperial China Ji Hao, 2017-05-08 For centuries Chinese critics have acclaimed Du Fu 712-770 as China's greatest poet He has exerted tremendous influence both as a model poet and as a cultural icon In *The Reception of Du Fu 712-770 and His Poetry in Imperial China* Ji Hao provides modern readers with a general picture of the reception of Du Fu and his work from the Song to the Qing He also explores major shifts in interpretive approaches to Du Fu's poetry and their poetic and cultural implications Through the case of reading Du Fu the book also offers an in depth examination of subtleties of the mode of life reading and the concept of transparency This exploration seeks to provide a new orientation to the significance of the overarching principles of reading poetry in traditional China

Reconsidering Tu Fu Eva Shan Chou, 1995-11-24 Tu Fu is by universal consent the greatest poet of the Chinese tradition In the epochal An Lushan rebellion he alone of his contemporaries consistently recorded in poetry the great events and pervasive sufferings of the time For a millennium now Tu Fu's poetry has been accepted as epitomizing the Chinese moral conscience at its highest and as such his work has been

placed almost beyond the reach of criticism Indeed objectivity about Tu Fu has often been viewed as criticism of him In Reconsidering Tu Fu Eva Shan Chou proposes that these thorny problems be met by separating his legacy into two distinct but related aspects as cultural monument and as a great and original poet Examining Tu Fu as cultural icon she investigates the evolution and nature of his reputation and shows its continuing effect upon interpretations of his poetry In her discussions of the poetic legacy she introduces concepts relating to subject matter style genre structure theme and voice in order to provide for a fruitful reconsideration of his poetry Many poems are discussed both well known and less familiar Dr Chou s analyses are original in their formulation and also considerate of the many fine readings of traditional commentators

In the Footsteps of Du Fu Michael Wood,2023-10-26 A beautifully illustrated travelogue chronicling the life and work of one of the world greatest poets Du Fu 712 70 is one of China s greatest poets His career coincided with periods of famine war and huge upheaval yet his secular philosophical vision combined with his empathy for the common folk of his nation ensured that he soon became revered Like Shakespeare or Dante his poetry resonates in a timeless manner that ensures it is always relevant and offers something new to the modern generation Now in this beautifully illustrated book broadcaster and historian Michael Wood follows in his footsteps to try to understand the places that inspired Du Fu to write some of the most famous and best loved poetry the world has known The themes he wrote about friendship family human suffering are universal and in our troubled times are just as relevant as they were almost 1 300 years ago **Thus Burst Hippocrene** Laurence Wong,2019-01-17 Thus Burst Hippocrene Studies in the Olympian Imagination is a collection of nine papers in comparative literature Discussing the greatest Olympians in world literature including Homer Aeschylus Sophocles Euripides Dante Shakespeare Milton Li Bo Du Fu and the Bible authors it is both daring in conception and wide ranging in scope Freely drawing on the author s knowledge of Classical Greek Latin Italian French German Spanish English and Chinese as well as on his conversance with the literatures of these languages the papers are truly comparative making discoveries unique to the author s characteristic multi lingual multi cultural approach In going through the book the reader will be pleasantly surprised by its originality by its amazing depth and breadth and by the new light it sheds on topics that are of interest to scholars and students of comparative literature Written in lucid language with no pretentious jargon it will also appeal to the general reader who picks up a book simply for the joy of reading or for horizon broadening without tears **Gedichte, chines. u. engl. Style, Wit and Word-Play Tao Tao Liu, Chan Sin-wai, Laurence Wong, 2011-12-08 This collection of essays is dedicated to the memory of David Hawkes 1923-2009 who is remembered as a pre-eminent translator and interpreter of Chinese literature into English his most famous work being the translation of the classic eighteenth century Chinese novel the Hongloumeng or The Story of the Stone The first part of the collection consists of studies on him and his

The Great Recreation Daniel Bryant, 2008 The poetry of the Ming dynasty has been relatively neglected in scholarship of the past century and the Archaist poets of the middle Ming especially so This book attempts to redress this neglect by presenting by far the most detailed treatment available in any language of the life milieu and work of Ho Ching ming 1483-1521 While Ho's participation in the Archaist circle of Li Meng yang in his youth is confirmed the later development of his ideas is shown to move toward a stance usually thought more representative of the following century The book also argues that May Fourth accounts of the pre modern literary tradition are seriously flawed and require replacement
