A Meal With Jesus Discovering Grace Community And Mission Around The Table:

A Meal With Jesus Tim Chester, 2013-04-23 Meals have always been important across societies and cultures a time for friends and families to come together An important part of relationships meals are vital to our social health Or as author Tim Chester puts it Food connects Tim argues that meals are also deeply theological an important part of Christian fellowship and mission He observes that Luke's Gospel is full of stories of Jesus at meals And these meals represent something bigger In six chapters Tim shows how they enact grace community hope mission salvation and promise Moving from New Testament times to today the author applies biblical truth to challenge our contemporary understandings of hospitality He urges sacrificial giving and loving around the table helping readers consider how meals can be about serving others and sharing the grace of Christ

A Meal with Jesus Tim Chester, 2011 *The Seven Stories that Shape Your Life* Gerard Kelly (Author), 2016-02-15 The most basic questions everyone faces in life is Why am I here What is my purpose Gerard Kelly presents the stories that make up the overall story of God in the world And here we find our purpose for each of our individual Christian lives Our purpose is as distinctive as our fingerprint and we will connect with it when we connect with our identity and origin in God God remembers how he made us and is committed to the fruitfulness and fulfilment of our potential We discover the importance of finding our place of service and usefulness knowing that our lives have meaning in the purposes of God

Transcendence at the Table Julia Hurlow, 2020-10-29 When is the last time you sat down for a meal to break bread with other people and experienced peace Throughout the arc of the scriptural narrative the word shalom is used as a way to speak of the way of peace This word shalom embodies the depiction of creation where all things would glorify to the Triune God as well as bear the image of the Triune God who seamlessly embraces love and belonging What if the universal space at a table is where shalom is experienced relationally What if the longing people have for love and belonging can be extended through hospitality at a table Unification can happen when invitations are extended to come participate and communicate at the table as a reflection of the Imago Dei

From 'Mission-Shaped' to 'Jesus-Shaped' Church Susan Beverley Cross, 2025-03-10 Hospitality is often invoked without question in Church of England discourse but the importance of the practice to contemporary mission has not been subject to detailed analysis This book provides otherwise elusive in depth theological examination of the scope of Christian understandings of hospitality From feasting in the Hebrew Scriptures and foot washing in the New Testament to online Communion during the COVID 19 pandemic hospitality is more than welcome or the evangelistic hospitality of the Alpha Course or Messy Church So this book encompasses racism ageing poverty tragedy storytelling minds bodies and belonging as well as the implications of allying food to Christian formation It shows that Christian hospitality has relevance not only to mission but also to ecclesiology eschatology disability theology and social and ecological justice

Hit List Brian G. Hedges, 2014-11-01 The Christian life is a war and one of your most lethal enemies hangs its helmet inside your heart This infernal internal enemy is sin which even after new birth continues to reside in every

believer As followers of Jesus we've been given a simple mission regarding sin: search and destroy. Put it to death. But in the words of Cornelius Plantinga Jr, sin has a thousand faces. It is one thing to oppose sin in principle quite another to actually do the bloody work of crucifying specific sin patterns in our lives. Sometimes these patterns are difficult to detect. Always they fight back tooth and nail mounting vehement resistance in counter maneuvers of a variety and complexity that would send General Schwarzkopf's mind spinning like a tilt-a-whirl. The most famous faces of sin are the Seven Deadly Sins: pride, envy, wrath, sloth, greed, gluttony, and lust. Not merely corrupting vices in themselves, these seven are gateway sins leading to countless others. They are the leading undercover operatives for the world, the flesh, and the devil, that evil complex of powers arrayed against our souls. And while we may recognize these sins by their names, we are often misled by the subtlety of their methods and ways. These sins are masters of disguise, adept at masking their true nature in charades of harmlessness, acceptability, and fun. In *Hit List*, Brian Hedges helps us take aim at the seven deadly sins by providing detailed dossiers for each one and equipping us with rich gospel resources for replacing vice with the virtue of Christ.

The Company We Keep Jonathan Holmes, 2014-09-01 Friendship. This one word can mean a hundred different things to each person. We all want friends, but often struggle to develop meaningful friendships. Does the Bible speak to and present a vision and theology of biblical friendship? Is there anything unique about biblical friendship?

The human dilemma of displacement Alfred R. Brunsdon, 2020-12-31 In this book, social responsive theological research converges to provide practical theological and ecclesiological perspectives on the growing human dilemma of displacement. The book presents the research of practical theologians, a missiologist, and a religious practitioner whose work pertains first and foremost to the South African context. The different fields of expertise of the contributors within the broader field of practical theology worked towards a unique compilation of themes, each relevant to the issue at stake. The majority of chapters are theoretically orientated, except where authors refer to empirical work conducted during previous research. The main contribution of this collaborative work is to be sought in the practical theological and ecclesiological perspectives it provides. It engages the critical questions of what kind of church we need and what kind of care we should provide in the face of the growing predicament of human displacement. The theological and theoretical principles uncovered in the different chapters will be of use to theologians from all theological subdisciplines as well as to religious practitioners and leaders of faith communities that are challenged with the growing realities of strangers on their doorsteps and in their pews.

Mission as Hospitality Edward L. Smither, 2021-01-05 God is a missionary God. God is also hospitable in his nature. He makes his enemies friends and invites them to intimate communion. The mission of God in Scripture often occurs through hospitality when God's people encounter the not-yet-people of God at table or in hospitable environments and invite them to believe. This motif of mission as hospitality plays out through the Old and New Testament Scriptures and through the Eucharist. It can also be observed through the witness of monks and contemporary missionaries who embraced a hospitable approach to mission. For the church to

participate in God's mission today a vision to win conquer or change the world should be exchanged for a conviction to welcome the stranger and make room for others while proclaiming the gospel that is to imitate the hospitable God in mission

The Supper Ronald P. Hesselgrave, 2019-09-17 The Lord's Supper or Eucharist has often been a subject of intense debate in the church What is often lost in this debate is the significance of the relationship of the Eucharist to Jesus Last Supper with his disciples which was a Passover or Passover like meal Moreover the Last Supper connects back to various meals in Jesus earthly ministry And it looks forward to the great messianic banquet as fulfillment of Jewish expectations In exploring these connections this book focuses on the three motifs of new creation hospitality and hope in Christ Most significantly when we break the bread and drink the wine or juice together we are asserting the reality of the new creation in Christ affirming God's grace forgiveness and cruciform love which is to be embodied in the Christian community and anticipating the day when God's present and ongoing work of restoration justice and reconciliation will ultimately prevail The Supper then is basically a condensed summary of the story of God's plan of redemption Hesselgrave brings together biblical theological ethical and social insights in a way that deepens our understanding of the meaning and practical significance of biblical texts related to this central ordinance of the church

Why Do We Feel Lonely at Church? Jeremy Linneman, 2023-09-12 Replacing Loneliness with a Biblical Vision of Belonging A local church should be a place of true community and connection where people belong to God and one another But in our individualistic culture many Christians

end up struggling with social isolation and loneliness Lacking a sense of authentic belonging within the church some eventually stop attending or question their faith altogether How can believers overcome these negative cultural effects and restore the biblical vision of belonging in their churches today In this concise booklet author and pastor Jeremy Linneman encourages readers to pursue a life of fellowship through 5 practices taking initiative in hospitality being patient in building friendships maintaining relational stability persisting through conflict and praying together By understanding the human need for belonging and reflecting on Jesus s lifestyle of mission ministry and care readers will be better equipped to build fruitful communities that bear witness to Christ s glory and purposes alone Offers a Biblical Vision of Belonging Shows how true belonging is only found in a local Christian community Useful for Church Leaders Encourages church leaders to build needed spiritual communities that bear witness to Christ s glory alone Short Accessible Format A concise biblical exploration of belonging and community TGC Hard Questions Series Equips readers with answers to difficult questions facing the modern church

When Poets Were Warriors Casey B. Hough, 2025-03-04 Almost every Christian man wants others to think of them as a man s man a real man Yet most of the time these same men would be hard pressed to provide a clear compelling and biblically rooted definition for what it means to be a man Between the toxic masculinity and gender confusion of our day the Christian church needs to retrieve a balanced vision of what it means to be a man Instead of allowing cultural stereotypes to form our vision of masculinity we need to return to the emotionally complex and paradoxically challenging example of Jesus own life and teaching As the last Adam the true Son of Abraham Son of David Jesus demonstrates how to live in conformity to God s will as a man as He calls us to follow Him When Poets Were Warriors studies the person and work of Jesus as an example of what it means to be a Christian man Casey knows that Jesus is more than an example of masculinity though he is not less He wants readers to walk away from his book not only with a greater understanding of what it means to be a man but also with a greater love for Jesus Christ After all Jesus provides the greatest example of what it means to be a man while doing what only he could do redeeming others from sin through His life death and resurrection

Hebrews Missiologically Abeneazer G. Urga, Edward L. Smither, Linda P. Saunders, 2023-02-28 Gaining New Insights from Hebrews God s interactions with Israel were a foreshadowing of the perfect reality in the person of Jesus absolutely God and absolutely human Jesus came to earth to establish his kingdom and all that God had initiated in the old covenant There is a continuity of theological understanding as we move from the Old Testament to the letter sent to the Christians in Rome The discussion on the theology of mission in the New Testament usually focuses on Jesus and Paul with minimal attention given to the General Epistles However Reading Hebrews Missiologically tries to fill that gap and focuses on the theology of mission in the book of Hebrews and fleshes out the unique contribution it has to the discussion of a New Testament theology of mission The twelve contributors from various theological geographical and missiological contexts explore the missionary motive the missionary message and the missionary method of the Epistle to the Hebrews All Scripture can be read missiologically and

the letter to the Hebrews with its emphasis on the supremacy of Christ is no exception We pray that this book will inspire fresh approaches to practical mission in the world today *Received by Christ* Celine S. Yeung, 2023-07-21 Huldrych Zwingli had an idea To the shock of both Rome and fellow Protestant Martin Luther he argued that Christ is not physically present in the Lord's Supper Rather the Eucharistic elements only represent Christ's body and blood However the unique basis undergirding his theory is often overlooked both by his contemporaries and later commentators He specifically understood the Lord's Supper to be patterned after the Passover meal the meal of the Old Testament His memorialist understanding was in fact based on the memorialist nature of the Passover By bringing in Jewish scriptures to bear on our understanding of the Lord's Supper his approach unlocks new questions that do not necessarily presuppose Greek metaphysics or a break from traditions This work seeks to continue to develop the method Zwingli left behind delineating a Eucharistic theology for the church today one that gives careful consideration to God's actions in relation to Israel and therefore sees the meal not metaphysically but historically and relationally *Rhythms of Reformation* Garth Ball, 2025-07-29 Rhythms of Reformation explores how the COVID 19 pandemic exposed the cracks in a Sunday centric consumer driven church culture and awakened a call to return to Christ's original heartbeat of discipleship It argues that the pandemic was not a disaster to lament or an interruption to endure but a catalyst for a profound reformation of the church Blending personal story with theological reflection this book follows the author's leadership journey through the pandemic engaging a broad range of literature to offer insight for navigating Spirit led seasons of change These seasons however need not be limited to times of crisis they can become intentional patterns that leaders cultivate shaping churches continually around the biblical priority of disciple making This book is especially helpful for current and emerging church leaders who sense the winds of change but lack a clear blueprint for navigating them **A Taste of Jesus** Jamin Bradley, 2017-07-26 A Taste of Jesus is an in depth look at the characteristics that are meant to make up the Christian's life love joy peace patience kindness goodness faithfulness gentleness and self control Bradley explains just how radical and counter cultural these fruits are when they are grown in fullness These are the characteristics of the upside down backwards Kingdom of Heaven and when we live like we're residents there we begin to give people a real taste of Jesus who is living inside of us via the Holy Spirit This is by no means meant to be an easy book to absorb for the fruit of the Spirit constantly butts heads with our flesh but if you feel uncomfortable maybe that's okay Embrace it and see what God does Jamin Bradley is ordained in the Free Methodist Church and is the lead pastor of 1208 GREENWOOD in downtown Jackson MI He and his wife Jodi have two energetic kids named Beckett and Jericho who love to keep them on their toes Outside of pastoring and writing Jamin loves video games board games grilling entertaining guests and writing recording and playing music If you're looking for the typical easy to read feel good Christian book this is not the one A Taste of Jesus discusses the Fruits of the Spirit through a comprehensive theological relevant thorough and experiential understanding Bradley reminds us and challenges us to know and believe that God's love
