Patton, 2002-11 Matthew the king to be did not think of himself as heroic although he had fought to defend the kingdom many times As he began his journey south to seek a bride to appease his father his only concern was finding a soul mate to journey home with him He suddenly finds himself on a heroic journey to save the continent of Mythenaea It is a road that will lead him to his soul mate and his destiny One century ago a very short time in the life of a fairy or a dwarf one of their most evil members visited us in our forest where you stand There was a terrible battle Many fairy souls were lost that day We battled hard but ultimately lost one of our prize powers Matthew recoiled at the scenes in his mind The landscape was covered with devastation **Cinders and Ash** Rosetta Bloom, Getting to happily ever after has never been so sexy or so much fun Sparks fly in this retelling of the classic fairy tale Cinderella Ella wants nothing more than to leave her wicked stepmother and spoiled stepsisters behind Only she needs money to get away When Ella's stepmother Lady Kenna learns Ella has been secretly helping out the apothecary for a few pence the evil woman gets her stepdaughter fired and takes all of Ella's hard earned money Devastated and desperate Ella decides to try the job a friend told her about go to the castle to provide companionship to a visiting noble Ash is a prince confined to a castle The queen is convinced magic fairies are real and are out to do her son harm That doesn't stop the young prince from having companionship delivered When a beautiful maiden is brought to him one evening he's completely intrigued By her beauty by her demeanor by the fact that she'll only give her name as Cinders In this version of Cinderella retold Cinders Ash heats things up as they search for their happily ever after THE SECRET GARDEN LEONI ROBENS, 2024-06-23 ABOUT THE BOOK It is only when we overcome our disabilities that wreck our minds sanity Feelings of envy jealousy and hatred and win them over with laurels of love and hope our daily accomplishments over disappointments will we be able to encounter God in

our daily steps as we walk towards that holy land to become his many pilgrims of peace love harmony and joyfulness Turning INTO the LIGHT OF THE WORLD Another interesting derivative of OR is the Hebrew root ro eh made with the letters Reysh Alef Hey It includes the same letters as in OR like an ORACLE of truth and upholding secrets of a secret garden nonetheless EDEN or PARADISE The biblical prophet the seer is called in Hebrew ro eh which also comes from OR LIGHT and like the wind sighing through the trees in a mystical secret place where wilderness thrives and yet is a secret to all mankind In the second chapter of the Book of Genesis there appears for the first time a reference about the Garden of Eden And the LORD God planted a garden in Eden in the east and there he put the man whom he had formed And out of the ground the LORD God made to spring up every tree that is pleasant to the sight and good for food The tree of LIFE was in the midst of the garden like the Dwarf apple tree in the middle of my book secret garden and all its beautiful characters Mary Dickon Colin the gardener Ben Weatherstaff and the magical creatures many more poems and role roles to play their parts within my story book with the magical robin bird beholding the secret key The Tree was the knowledge of good and evil A river flowed out of Eden to water the garden and there it divided and became four rivers GENESIS 2 8 11 The name of the first is Pison that is it which compasseth the whole land of Havilah where there is gold This is why it is no surprise to discover the Hebrew term for Heaven or Paradise is in fact Gan Eden meaning the Garden of Eden The Secret Garden By Frances Hodgson Burnett penned by Leoni Robens in her own imaginative soul nourishing masterful and creative style *Michigan School Moderator*, 1899
