John Julian, 1892 the sunday at home , 1882 On Being Rich and Poor Jacques Ellul, 2014-01-01 In these talks Ellul observes that some of the harshest language in the Jewish and Christian Bibles is reserved for those who are rich and powerful and thus able to bend others to their will Through his analysis of the prophetic vision of Amos and the epistle of James Ellul exposes the gap between the principles of Christian life and the practices of the modern world Critiquing a world that values domination over collaboration he offers an alternative path *Fifty-nine Plain Practical Sermons. Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers The Gospel of John A Commentary more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church's major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike

Now That I Am Saved, Now What? David Weddle, 2019-05-15 This idea first came from watching and hearing televangelists on Christian broadcasts after I had been saved I was blessed to have a pastor and a church family that embraced me and poured themselves into my life with teachings and testimonies that enhanced my walk with Jesus immensely I often wondered who were there for the people who received Jesus over the television waves or in large convention centers after the message ended I'm sure some had pamphlets and flyers to hand out but in many cases that is not enough My book *Now That I Am Saved Now What* is designed to give the reader a quick synopsis and revelation of what you can expect and what is expected from a loving good God who is no respecter of persons From the cover illustration you can ascertain that a man is overboard and the men of God have thrown him a life preserver He is saved but he seems to be asking Now what They are all pleased he is saved but no one seems willing to pull him into the safety of the ship Jesus is at the helm and will always be the author and finisher of our faith if we trust him fully and follow his lead through his Word
