WITH TEXTS FROM THE FIRST TO THE TWENTY-FIRST CENTURY

SECOND EDITION

EDITED AND INTRODUCED BY WILLIAM P. ANDERSON

ILLUSTRATED BY RICHARD L. DIESSLIN

A Journey Through Christian Theology

Kathleen Armour

A Journey Through Christian Theology:

A Journey Through Christian Theology William P. Anderson, A non threatening entrance into texts from the Apostolic Fathers to Mary Daly *A Journey Through Christian Theology* William P. Anderson, 2000 A non threatening entrance into texts from the Apostolic Fathers to Mary Daly **An Introduction to Christian Theology** Anthony Towey, 2013-08-01 There has long been a need for a comprehensive but truly introductory single authored textbook in theology By introducing the reader to the biblical doctrinal and contemporary dimensions of Christianity with the help of illustrated examples from selected primary texts the book provides an excellent grounding in theology for both students of the discipline and the general reader The work explores key tools for the scientific study of theology endeavouring both to affirm the rationale behind Christian thinking and also to familiarize the reader with significant contrary positions The solid foundations in biblical theology and hermeneutics given in the book will enable students to read Judeo Christian scripture intelligently Key testimonies regarding Jesus Christ are scrutinized and the nature of the New Testament discussed As well as the emergence of doctrinal orthodoxy and the later disagreements which have shaped contemporary Christianity the reader will become familiar with the dimensions of current Christian thinking in its dialogue with post modernity **The Historic Church** Archpriest John W. Morris, 2011-07-19 The Historic Church is a survey of Christian history written for Orthodox Christians by an Eastern Orthodox scholar Although one can find many excellent studies of Christian history in the United States none of them considers the development of Christianity from an Eastern Orthodox point of view The work begins by laying a foundation for the study of Christian history by discussing the beliefs and practices of the ancient Church during the age of the Fathers and the Seven Ecumenical Councils The author then discusses the development of Roman Catholicism and the theological and cultural reasons for the split between Rome and Orthodoxy and relations between East and West following the schism He concludes his work with a discussion the origins and historical development of every major Protestant group and tells how they differ from Orthodoxy **The Living Church** , 2000-07 *History of Christian Theology in the Apostolic Age* Eduard Reuss, 1874 **A Journey Through the Yemen and Some General Remarks Upon that Country** Walter Harris, 1893 *A Catalogue of Books Placed in the Galleries in the Reading Room of the British Museum. Printed by Order of the Trustees* G W Porter, 1886 **General Catalogue of the Books** Detroit Public Library, 1889 *A Religious Encyclopædia, Or, Dictionary of Biblical, Historical, Doctrinal, and Practical Theology* Schaff, 1882 *The Economist* , 1874 **Athenaeum and Literary Chronicle** , 1872 **The Lutheran Quarterly** , 1894 *The Magazine of Christian Literature* , 1890 *The Athenaeum* , 1884 *The Catholic Library World* John M. O'Loughlin, Francis Emmett Fitzgerald, 2000 *The Critic* , 1897 **A Second Supplement to the Catalogue of Books in the Signet Library. 1882-1887** Signet Library (Great Britain), 1891 *The British Quarterly Review* , 1873 *Subject-catalogue* [ed. by F. Vinton]. Princeton univ, libr, 1884
