A Long Way From Home

Janet Plummer

A Long Way From Home:

A Long Way from Home Alice Walsh, 2012-09-10 Thirteen year old Rabia along with her mother and younger brother flee Afghanistan and the brutal Taliban for Pakistan. Some months later they take part in a program that is relocating refugee widows and orphans to America. However their flight falls on the fateful morning of 9/11. After the terrorist attack on the World Trade Center in New York City their plane is diverted to Gander Newfoundland. Also on the plane is an American boy named Colin who struggles with his prejudices against Rabia and her family after they are all stuck in Gander while the air space is shut down. The people in the small community including teens Jason and Leah open their hearts and their homes to the stranded passengers volunteering to billet the hundreds of unexpected visitors to the island. Their kindness might be the bridge to understanding and acceptance that Colin and Rabia need. A long way from home Emily Stickland, 2018-03-16 A family from 1800's Famine Ireland and one from present day war torn Syria have to make a similar journey centuries apart from the homes they know and love to seek safety and security in other lands. This is a universal story about the importance of welcoming and being understanding to refugees. Though we may have different cultures we often share difficult histories.

A Long Way from Home Janet Plummer, 2014-01-16 The reader is drawn into the world of a spirited little girl from the Caribbean as she journeys with her mother to a new country. Sometimes funny sometimes sad her simple story tugs at the heart. You will feel like you are right there sharing the newness and excitement of the adventure. Children will relate to her raw emotions and adults will be captivated by her transparency and honesty. A must read for all. **A Long Way from Home** Claude McKay, 2007 McKay's account of his long odyssey from Jamaica to Harlem and then on to France Britain North Africa Russia and finally back to America. As well as depicting his own experiences the author describes his encounters with such notable personalities as Charlie Chaplin George Bernard Shaw H G Wells Leon Trotsky W E B Du Bois Isadora Duncan Paul Robeson and Sinclair Lewis. **A Long Way from Home** Nigel Springthorpe, 2012-03-29 The year is 1955. A time when international travel is reserved for the privileged few. Andy Marshall an 18 year old National Service conscript from Plymouth finds himself posted to the other side of the world. Soon after his arrival at RAF Changi Singapore he is sent on detached duty to a staging post on a remote island in the South China Sea close to the mainland of Borneo. His nine month tour of duty there is filled with a succession of bizarre experiences as he attempts to adjust to living and working with the 30 strong complement of Airmen led by an eccentric Station Commander. Andy returns to Changi where his unusual exploits both on and off duty continue unabated. Throughout his service in the Far East he is left to reflect on the wisdom of a last minute marriage proposal prior to his departure from England. His two years of service for Queen and Country completed he returns home to re-adjust to civilian life only to discover the lengthy period of separation from his fiancée has had a profound effect on their relationship. Meanwhile his thoughts are filled with memories of his time overseas particularly the camaraderie amongst his fellow men. A reunion of former colleagues takes place but with surprising consequences. **A Long Way from**

Home is a work of fiction inspired by the author's personal experiences. It paints a wickedly humorous and perceptive picture from an era when National Service was accepted almost without question. Given the continuing debate of the desirability of re-introducing some form of compulsory military service, this novel throws a light on how over half a century ago one young man coped a long way from home.

A Long Ways from Home Mike Martin, 2016-08-22. A weekend visit to picturesque Newfoundland by a large crew of outlaw bikers leaves behind another mess for Sgt Windflower to clean up. This time he is facing violence, murder, mystery and intrigue. This adventure has Windflower questioning everything he thought he knew. There are troubles on the home front: cutbacks in the policing budget, old friends leaving and new ones not quite here yet. Windflower is seeking to find answers in territory that is both dangerous and unfamiliar. This instalment in the Sgt Windflower Mystery series has our hero dashing all over the beautiful little island of Newfoundland. Along the way he never wavers in his pursuit of justice. But he still tries to find a way to enjoy the natural beauty that lays all around him and to bring out the best from everybody he meets.

A Long Ways from Home is about more than just homicides or the dirty dealings of outlaw bikers. It is also about helping people and communities face up to and overcome new and very difficult challenges. Windflower relies on his friends and allies, including some four-legged ones to help him and them find the answers. He also discovers that we are never really alone even when we are a long way from home.

A Long Way from Home Tom Brokaw, 2002-11-05. Reflections on America and the American experience as he has lived and observed it by the bestselling author of *The Greatest Generation*, whose iconic career in journalism has spanned more than fifty years. From his parents' life in the Thirties on to his boyhood along the Missouri River and on the prairies of South Dakota in the Forties into his early journalism career in the Fifties and the tumultuous Sixties up to the present, this personal story is a reflection on America in our time. Tom Brokaw writes about growing up and coming of age in the heartland and of the family, the people, the culture and the values that shaped him then and still do today. His father, Red Brokaw, a genius with machines, followed the instincts of Tom's mother, Jean, and took the risk of moving his small family from an Army base to Pickstown, South Dakota, where Red got a job as a heavy equipment operator in the Army Corps of Engineers' project building the Ft. Randall dam along the Missouri River. Tom Brokaw describes how this move became the pivotal decision in their lives as the Brokaw family, along with others after World War II, began to live out the American Dream: community, relative prosperity, middle-class pleasures and good educations for their children. Along the river and in the surrounding hills, I had a Tom Sawyer boyhood. Brokaw writes and as he describes his own pilgrimage as it unfolded from childhood to love, marriage, the early days in broadcast journalism and beyond, he also reflects on what brought him and so many Americans of his generation to lead lives a long way from home yet forever affected by it. Praise for *A Long Way from Home*: A love letter to the people and places that enriched a Tom Sawyer boyhood. Brokaw has a knack for delivering quirky observations on small-town life. Bottom line: Tom's terrific. People Breezy and straightforward, much like the assertive TV newsman himself. Los Angeles Times. Brokaw writes with

disarming honesty The Atlanta Journal Constitution Brokaw evokes a sense of community a pride of citizenship and a confidence in American ideals that will impress his readers Richmond Times Dispatch

Arctic Migrants/Arctic Villagers David Damas, 2002 In recent years the view has emerged that the Inuit were coerced by the Canadian government into abandoning life in scattered camps for centres of habitation In *Arctic Migrants Arctic Villagers* David Damas demonstrates that for many years government policies helped maintain dispersed settlement but that eventually concerns over health housing and education and welfare brought about policy changes that inevitably led to centralization Damas shows that while there were cases of government directed relocation to centres centralization was largely voluntary as the Inuit accepted the advantages of village living In examining archives anthropological writings and the results of field research from an anthropological perspective Damas provides fresh insights into the policies and developments that led to the centralization of Inuit settlement during the 1950s and 1960s

Copyright Office,1972 *Bruce Springsteen, Cultural Studies, and the Runaway American Dream* Dr Kenneth Womack,Mr Jerry Zolten,Mr Mark Bernhard,2013-01-28 There is little question about the incredible power of Bruce Springsteen s work as a particularly transformative art as a lyrical and musical fusion that never shies away from sifting through the rubble of human conflict As Rolling Stone magazine s Parke Puterbaugh observes Springsteen is a peerless songwriter and consummate artist whose every painstakingly crafted album serves as an impassioned and literate pulse taking of a generation s fortunes He is the foremost live performer in the history of rock and roll a self described prisoner of the music he loves for whom every show is played as if it might be his last In recent decades Puterbaugh adds Springsteen s music developed a conscience that didn t ignore the darkening of the runaway American Dream as the country greedily blundered its way through the 1980s and into the sociocultural detritus of a new century paralysed by isolation and uncertainty Bruce Springsteen Cultural Studies and the Runaway American Dream reflects the significant critical interest in understanding Springsteen s resounding impact upon the ways in which we think and feel about politics religion gender and the pursuit of the American Dream By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture s most enduring artistic and socially radicalizing phenomena this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music
