received them as a blessing But have they deeply considered the meaning behind them What does it mean for God's face to shine upon his people Faces are often referred to as the window to the soul displaying emotion and providing relational clarity between individuals This theme of faces reverberates throughout Scripture first appearing with Adam and Eve and notably surfacing in the Aaronic benediction in Numbers 6 The Lord Bless You and Keep You explores this benediction to discover the important connection between a person's face and the face of God finding that through faces God shines the light of the gospel upon his people and offers his grace goodness and blessing to those who believe in him Examines a Common Biblical Passage Explores the context meaning and purpose of the Aaronic benediction Perfect for Laypeople and Church Leaders Alike Use this book to explore how the Aaronic benediction impacts worship in day to day life and within the church Interactive Reflection questions provide an opportunity for discussion in small groups and meditation for individuals Offers Insight for Corporate Worship Pastors and church leaders explore how the Aaronic benediction impacts corporate worship

360-Degree Leadership Michael J. Quicke, 2006-09-01 Leadership books and seminars notwithstanding many pastors remain unclear on how to effectively lead their congregations Some even believe that preaching needs to take a backseat to leadership Dismissing such comparisons as artificial pastor and professor Michael Quicke notes how the Scriptures themselves reveal transformational leadership through proclamation by preachers God's preachers Quicke asserts are inevitably his leaders Powerful preaching and disciple making leadership go hand in hand in the Bible as well as in the contemporary church Both are inspired by God's energy The intentional pastor will be renewed to discern that biblical preaching is central to the events of church life and mission

Sustaining Preachers and Preaching George Lovell, Neil Richardson, 2011-03-17

The Four Pages of the Sermon Paul Scott Wilson, 2010-09-01 Doing justice to the complexity of the preaching task and the questions that underlie it Wilson organizes both the preparation and the content of the sermon around its four pages Each page addresses a different theological and creative component of what happens in any sermon Page One presents the trouble or conflict that takes place in or that underscores the biblical text itself Page Two looks at similar conflict sin or brokenness in our own time Page Three returns to the Bible to identify where God is at work in or behind the text in other words to discover the good news Page Four points to God at work in our world particularly in relation to the situations described in Page Two

Homosexuality and Christian Community Choon Leong Seow, 1996-01-01 Contributors to this volume all members of the Princeton Theological Seminary faculty address the various exegetical interpretive and practical issues pertaining to the issue of homosexuality in the church These include the ordination of homosexuals and the blessing of homosexual unions as well as broader issues dealing with liturgical and theological language about God and the role of the church in a pluralistic society The contributors speak of these various

issues as theological educators ministers and committed Christians They ask What do the scriptures say about homosexuality and related issues How should the scriptures inform our theological reflection and How do we live faithfully in regard to this matter And like the Christian community at large the contributors are not of one mind on any of these issues many times they are in considerable disagreement Homosexuality and Christian Community will help to guide churches and individuals engaged in theological reflection about the place of homosexuals in the church
