David Kirk

A History Of Egypt From Earliest Times To The Present:

A History of Egypt Jason Thompson, 2008 No country's past can match Egypt's in antiquity richness and variety Rarely however is this nation's history presented as a comprehensive panorama since scholars tend to divide it into distinct eras pharaonic Greco Roman Coptic medieval Islamic Ottoman and modern that are rarely studied in connection to each other despite the strong elements of continuity running through all of these periods But here historian Jason Thompson has written a cohesive account of Egypt's millennia long past In A History of Egypt readers are offered a sure guide through the sometimes labyrinthine corridors of Egypt's past from the mysterious predynastic kingdoms to the post modern nation state of the twenty first century The author addresses central scholarly issues such as how Egyptian history can be treated as a whole and how the west has shaped prevailing images of it both through direct contact and through the lens of western scholarship Drawing on current historical scholarship as well his own research Jason Thompson has written a remarkable work of synthesis and concision offering students travelers and general readers alike an engaging one volume narrative of the extraordinarily long course of human history by the Nile

A History of Egypt Jason Thompson, 2011 **The History of Egypt**, 1852 A History of Egypt: Earliest times to the XXXth dynasty William Matthew Flinders Petrie, 1899 **A History of Chemistry from Earliest Times to the Present Day** Ernst von Meyer, 1891 A History of Chemistry.
