[Hungary in World War II](#) Deborah S. Cornelius,2019-08-08 A historian examines why Hungary allied with the Nazis and the devastating consequences for the country The full story of Hungary s participation in World War II is part of a fascinating tale of rise and fall of hopes dashed and dreams in tatters Using previously untapped sources and interviews she conducted for this book Deborah S Cornelius provides a clear account of Hungary s attempt to regain the glory of the Hungarian Kingdom by joining forces with Nazi Germany a decision that today seems doomed to fail from the start For scholars and history buffs alike Hungary in World War II is a riveting read After the First World War the new country of Hungary lost more than 70 percent of its territory and saw its population reduced by nearly the same percentage But in the early years of World War II Hungary enjoyed boom times and the dream of restoring the Hungarian Kingdom began to rise again As the war engulfed Europe Hungary was drawn into an alliance with Nazi Germany When the Germans appeared to give Hungary much

of its pre World War I territory Hungarians began to delude themselves into believing they had won their long sought objective Instead the final year of the world war brought widespread destruction and a genocidal war against Hungarian Jews Caught between two warring behemoths the country became a battleground for German and Soviet forces and in the wake of the war Hungary suffered further devastation under Soviet occupation and forty five years of communist rule This is the story of a tumultuous time and a little known chapter in the sweeping history of World War II **Hitler's war in the East, 1941-1945** Rolf-Dieter Müller,2009 **Magyarország a második világháborúban** Péter Sipos,István Ravasz,1997 **A magyar királyi csendőrség története a két világháború között** Ferenc Kaiser,2002 **The Siege of Budapest** Krisztián Ungváry,2005-01-01 The definitive history of one of the fiercest battles of World War II This definitive history of one of the fiercest battles of World War II describes the siege of Budapest in unprecedented detail Both Stalin and Hitler demanded victory at all costs and the cost was extreme 80 000 Soviet troops 38 000 German and Hungarian soldiers and 38 000 Hungarian civilians perished The book provides the first full account of this shocking battle As a military history The Siege of Budapest is unrivaled Magisterial John Lukacs New York Review of Books An exceedingly dramatic book filled with fascinating stories some of them even humorous and with heart rending accounts of suffering limitless cruelty and amazing decency István Deák New Republic Ungváry has written a dramatic gripping history of this siege filling a gap in WWII history Choice [A Magyar Királyi Honvéd Légierő a második világháborúban](#) Miklós M. Szabó,1987 *Magyarok a Don-kanyarban* Szabó Péter,2019-12-18 A XX sz zadi magyar történelem egyik sokat id zett politikai vitát kiváltó esemény volt a 2 magyar hadsereg tragikus története 1942-43-ban A szerző feltárta a fennmaradt s elrejtett levéltári források sokat felkeresték a magyar történelem kiegészítésére a feledés homályába merítve a korabeli naplók feljegyzéseket is bemutat A könyv a 2 magyar hadsereg történetét az adott kor politikai és katonapolitikai viszonyai közbe gyazva elemzi Nem ad kétséget fel sem ellenrizhetetlen tényekkel szembe fordítva a legendákat a forrásokból merít A kötet szakszerűségevel a legapróbb részletekre történő kitekintéssel a magyar hadtörténet részletes és világos képet nyújt a napjainkig tudatunkban lévő magyar nemzetet megrázó tragédia szinte kritikusan bemutatja E fontos emlékeztetőként hízelgesen emlékeztet mintegy 120 ezer katonai munkaszolgálatos soha nem feledhető tragédiájára A kötet immár negyedik teljesen átdolgozott frissen tett illusztrációval szívesen eddig nem publikált fényképekkel ellátott kiadásban jelenik meg **A magyar honvédség a második világháborúban** Peter Gosztony,1986 [The Roma Cafe](#) István Pogány,2004-04-20 The plight of Eastern Europe's Roma is one of the greatest challenges facing the continent Largely hidden this book offers an eye opening poignant and intriguing analysis of the diverse problems facing Central and Eastern Europe's gypsy populations including the largely unacknowledged legacy of the Roma Holocaust Engaging with a broad range of issues including racism stereotyping and political and economic transition in ex Communist states István Pogány challenges the most common preconceptions about the Roma He looks at the specifics of individual Romani lives particularly in Hungary and Romania Highlighting the difficulties that all marginal peoples face Pogány explains how the Roma have been

devastated by the economic transition from Communism to open markets since 1989 Poverty lack of education as well as widespread anti Roma discrimination and inadequate legal protection have left the Roma facing intense hardship since the collapse of welfare states However this book is not just a catalogue of the challenges that the Roma face it is also a celebration of Roma cultures and of the acceptance of difference something that is more important than ever in our multicultural societies

The Workers' State Mark Pittaway,2010-11-23 In 1956 Hungarian workers joined students on the streets to protest years of wage and benefit cuts enacted by the Communist regime Although quickly suppressed by Soviet forces the uprising led to changes in party leadership and conciliatory measures that would influence labor politics for the next thirty years In The Workers State Mark Pittaway presents a groundbreaking study of the complexities of the Hungarian working class its relationship to the Communist Party and its major political role during the foundational period of socialism 1944 1958 Through case studies of three industrial centers Ujpest Tatabánya and Zala County Pittaway analyzes the dynamics of gender class generation skill level and rural versus urban location to reveal the embedded hierarchies within Hungarian labor He further demonstrates how industries themselves from oil and mining to armaments and textiles possessed their own unique labor subcultures From the outset the socialist state won favor with many workers as they had grown weary of the disparity and oppression of class systems under fascism By the early 1950s however a gap between the aspirations of labor and the goals of the state began to widen In the Stalinist drive toward industrialization stepped up production measures shortages of goods and housing wage and benefit cuts and suppression became widespread Many histories of this period have focused on Communist terror tactics and the brutal suppression of a pliant population In contrast Pittaway s social chronicle sheds new light on working class structures and the determination of labor to pursue its own interests and affect change in the face of oppression It also offers new understandings of the role of labor and the importance of local histories in Eastern Europe under communism
