The Moon's a Balloon David Niven,1994 Takes readers back to David Niven s childhood days his humiliating expulsion from school and to his army years and wartime service After the war he returned to America and there came his Hollywood success in films such as Wuthering Heights and Around the World in 80 Days      **The Other Side of the Moon** Sheridan Morley,1985 This compassionate account goes past the blithe persona Niven presented both on screen and in his memoirs into his failings disappointments and tragedies Born in London in 1910 the future suave performer tempted expulsion with schoolboy devilry he later served in the British army before emigrating to the U S His film career started in 1934 and lasted nearly to his death in 1983 but he failed to achieve stardom The terrible sorrow of Niven s life was the death of his wife Primula killed in a fall during her 20s when their sons were babies His second marriage to a Swedish model was unhappy There were other romantic involvements in Niven s life and many facets to his career that Morley reveals During World War II for instance he gave up Hollywood and returned to his homeland to fight for England yet was so afraid of poverty that throughout his career he accepted demeaning parts in many movies The moon s other side was darkest at the end when Niven succumbed to amyotrophic lateral sclerosis or Lou Gehrig s disease      **The Moon's a Balloon** David Niven,1971

**The Good The Bad & The Truth** Niven Dallas,2013-07-15 This entertaining book contains a collection of true stories providing many pages of none stop laughs All are strange funny stories some sad and some terrifying In this collection we have the lot Power image greed corporate manipulation with death love and broken families Runaway people in hiding looking for a new life in the remote Australian bush only to be found by disaster and misfortune With secrets soon discovered and a life ending in a very comical funeral Can a situation be cursed and all who are involved suffer a terrible penance The Curse of Gold will give you a new view on the strange things that can happen Proving yet again that gold has no master They want my boat to entertain the visiting Crown Prince of Thailand This scenic trip up the Ord River quickly became an Australian government bureaucratic nightmare Strange facts were discovered while researching this book Not many people know the Kimberley area in Western Australia on the Ord River was named after Lord Kimberley the British Secretary of State for the Colonies But few know that only six years prior in 1873 this same bloke had named the Kimberley area on the Orange River in South Africa Both areas contain the worlds largest diamond mines

**A Man Without Love** ,2011-02-05 All Bill wanted out of life was to be a normal bloke and part of someone s life preferably a female s life On first glance a reader might think this book is just another painful and sad love story but that is not so Bill was a walking live example of avoidable human disaster and bad luck a sort of modern day Medusa with an unforeseen hilarious side The love part of this story was much more challenging especially for all those helpful mates in the bush who had made a vow to help resolve Bill s biggest problem finding a woman to love him Then there are all the other interesting stories that just sort of happened around Bill Remember these are all true stories Please do enjoy the reading as I did in writing them
