Scribbling Women & the Short Story Form Ellen Burton Harrington, 2008 America is now wholly given over to a d d mob of scribbling women and I should have no chance of success while the public taste is occupied with their trash Taking Hawthorne s famous 1855 complaint about women writers as a starting point for consideration *Scribbling Women and the Short Story Form* is a collection of fourteen critical essays about the short fiction of British and American women writers This anthology takes a feminist approach examining the liberating possibilities for women writers of the form of the short story a genre often associated with alienation or subversion the writer Frank O Connor describes the form as marginal or outlaw Covering the work of selected women writers from the 1850s through the late twentieth century this collection includes essays on well known authors such as Rebecca Harding Davis Louisa May Alcott Kate Chopin Katherine Anne Porter Flannery O Connor Cynthia Ozick and Ursula K Le Guin alongside essays on Harriett Prescott Spofford Ruth Stewart L T Meade Alice Dunbar Nelson Zitkala Sa Sui Sin Far and Lydia Davis less known authors whose stories offer rich ground for consideration

The Hemingway Short Story George Monteiro, 2017-03-23 Ernest Hemingway revolutionized the American short story establishing himself as a master of realist fiction in the tradition of Guy de Maupassant Yet none of Hemingway s emulators has succeeded in duplicating his understated minimalist style In his Iceberg Theory of fiction only the tip of the story is seen on the surface the rest is submerged out of sight This study surveys the scope of Hemingway s mastery of the short story form enabling a fuller understanding of such works as *Indian Camp* *Big Two Hearted River* *The Killers* *The Mother of a Queen* *In Another Country* *Hills Like White Elephants* *The Snows of Kilimanjaro* and *The Mercenaries* among many others All 13 stories from his underrated *Winner Take Nothing* collection are evaluated in detail

British Short Fiction in the Early Nineteenth Century Tim Killick, 2016-05-23 In spite of the importance of the idea of the tale within Romantic era literature short fiction of the period has received little attention from critics Contextualizing British short fiction within the broader framework of early nineteenth century print culture Tim Killick argues that authors and publishers sought to present short fiction in book length volumes as a way of competing with the novel as a legitimate and prestigious genre Beginning with an overview of the development of short fiction through the late

eighteenth century and analysis of the publishing conditions for the genre including its appearance in magazines and annuals Killick shows how Washington Irving s hugely popular collections set the stage for British writers Subsequent chapters consider the stories and sketches of writers as diverse as Mary Russell Mitford and James Hogg as well as didactic short fiction by authors such as Hannah More Maria Edgeworth and Amelia Opie His book makes a convincing case for the evolution of short fiction into a self conscious intentionally modern form with its own techniques and imperatives separate from those of the novel

Wisconsin Journal of Education ,1888 *Montgomery Ward Catalogue of 1895* Montgomery Ward & Co.,Montgomery Ward,1969-08-01 Tea gowns bleached damask and yards of flannel and pillow case lace stereoscopes books of gospel hymns and ballroom gems the New Improved Singer Sewing Machine side saddles anti freezing well pumps Windsor Stoves milk skimmers straight edged razors high button shoes woven cane carpet beaters spittoons the Studebaker Road Cart commodes and washstands the Fire Fly single wheel hoe cultivator and plow combined flat irons and ice cream freezers What man woman or child of the 1890s could resist these offerings of the Montgomery Ward catalogue the one book that was read avidly year after year by millions of Americans on farms and in small towns across the nation The Montgomery Ward catalogue provides one of the few irrefutably accurate pictures of what life was really like in the gay nineties for it described and illustrated almost anything that anybody could possibly need or want in the way of store bought goods In fact in that pre department store era it was usually the only source for such goods Imagine if Montgomery Ward had issued an illustrated catalogue in the days of Louis XIV or Elizabeth I or Charlemagne what insights would we have into the daily life of the common folk the farmers and shopkeeper housewives and schoolchildren what sources of information for historians and scholars collectors and dealers what models for artists and designers In 1895 Montgomery Ward was the oldest largest and most representative mail order house in the country The brainchild of a former traveling salesman it issued its first catalogue in 1872 a one page listing of items By 1895 the catalogue reprinted here had grown to 624 pages and listed some 25 000 items almost all of them illustrated with live drawings Montgomery Ward was by then a multi million dollar business that profoundly affected the American economy and since it reached the most isolated farms and backwoods cabins its effect on American culture was almost as great Now once again available it is our truest most unbiased record of the spirit of the 1890s An introduction on the history of the Montgomery Ward Company and its catalogue has been prepared especially for this edition by Boris Emmet Ph D Johns Hopkins a foremost expert on retail merchandising His monumental work *Catalogues and Counters* has long been recognized as a landmark in the study of American economic history

The Influence of the European Culture on Hemingway's Fiction , Silvia Ammary,2015-06-09 The Influence of the European Culture on Hemingway

s Fiction is an essential companion to all those who study Hemingway The study deals with how Hemingway depicts Europe in his fiction not necessarily from a biographical point of view as most critical books have dealt with but how he assimilates to the culture of Europe how he portrays the different aspects of that culture in food music customs architecture and literature This study views Hemingway s stories and novels through a new lens by applying new critical developments emergent approaches and transnational studies to aid in a fuller understanding of Hemingway Europe for Hemingway was a land of discovery and one cannot study his major novels without analyzing this passion for these lands The Europe that Hemingway experienced and recorded in his writing serves as an important element in his fiction becoming the other an alien culture that was sufficiently different from his American roots Yet this otherness serves first to fulfill his psychological needs to learn and become one of the initiated through suffering whether it involves himself or the loss of other people around him The Canadian Short Story Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada s flagship genre It continues to attract the country s most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre s beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre s development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany *The Gothic Worlds of Peter Straub* John C. Tibbetts, 2016-08-16 Horror novelist Peter Straub creates highly personalized fiction with an allusiveness and ambiguity that deny the genre s explicit nature For him the Gothic style is to be created and recreated in a changing world Faustian pacts buried secrets haunted places ghosts vampires and succubi take on strange new shapes and effects Stephen King describes Straub s style as a synthesis of horror and beauty Drawing on interviews with Straub and featuring an exclusive interview with King this study explores the work of the author who has been called a writer of rare wit and intelligence in a field beset with cynical potboilers Douglas E Winter Washington Post October 14 1984 Short Story Index, Collections Indexed 1900-1978 Juliette Yaakov, 1979 This vol is a complete listing of the 8 355 collections indexed in the cumulated vols of Short Story Index for the years 1900 1978 *The Scarlet Letter and Other Writings (Second International Student Edition)* (Norton Critical Editions) Nathaniel Hawthorne, 2017-02 This perennially popular Norton Critical Edition has been revised to

reflect the most current scholarly approaches to The Scarlet Letter Hawthorne's most widely read novel as well as to the five short prose works Mrs Hutchinson Endicott and the Red Cross Young Goodman Brown The Minister's Black Veil and The Birthmark that closely relate to the 1850 novel This Second Norton Critical Edition also includes Revised and expanded explanatory footnotes a new preface and a note on the text by Leland S Person Key passages from Hawthorne's notebooks and letters that suggest the close relationship between his private and public writings Seven new critical essays by Brook Thomas Michael Ryan Thomas R Mitchell Jay Grossman Jamie Barlowe John Ronan and John F Birk A Chronology and revised and expanded Selected Bibliography

Edgar Allan Poe's the Tell-tale Heart and Other Stories Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2014-05-14 Presents a collection of critical essays on Poe's novel The tell tale heart arranged chronologically in the order of their original publication

The Classic Short Story, 1870-1925 Florence Goyet, 2014-01-13 The ability to construct a nuanced narrative or complex character in the constrained form of the short story has sometimes been seen as the ultimate test of an author's creativity Yet during the time when the short story was at its most popular the late nineteenth and early twentieth centuries even the greatest writers followed strict generic conventions that were far from subtle This expanded and updated translation of Florence Goyet's influential *La Nouvelle* 1870 1925 *Description d'un genre son apogée* Paris 1993 is the only study to focus exclusively on this classic period across different continents Ranging through French English Italian Russian and Japanese writing particularly the stories of Guy de Maupassant Henry James Giovanni Verga Anton Chekhov and Akutagawa Ryunosuke Goyet shows that these authors were able to create brilliant and successful short stories using the very simple tools of brevity of that period In this challenging and far reaching study Goyet looks at classic short stories in the context in which they were read at the time cheap newspapers and higher end periodicals She demonstrates that despite the apparent intention of these stories to question bourgeois ideals they mostly affirmed the prejudices of their readers In doing so her book forces us to rethink our preconceptions about this forgotten genre

Antebellum American Pendant Paintings Wendy N. E. Ikemoto, 2017-07-06 Antebellum American Pendant Paintings *New Ways of Looking* marks the first sustained study of pendant paintings discrete images designed as a pair It opens with a broad overview that anchors the form in the medieval diptych religious history and aesthetic theory and explores its cultural and historical resonance in the 19th century United States Three case studies examine how antebellum American artists used the pendant format in ways revelatory of their historical moment and the aesthetic and cultural developments in which they partook The case studies on John Quidor's *Rip Van Winkle and His Companions at the Inn Door* of Nicholas Vedder 1839 and *The Return of Rip Van Winkle* 1849 and Thomas Cole's *Departure and Return* 1837 shed new light on canonical antebellum American artists and their practices The chapter on Titian Ramsay Peale's *Kilauea by Day* and *Kilauea by Night* 1842 presents new material that pushes the geographical boundaries of American art studies toward the Pacific Rim The book contributes to American art history the study of a characteristic but as
