Sonya Hartnett

A decorative red circular graphic element, resembling a stylized arrow or a partial circle, is positioned to the right of the author's name.

The Silver Donkey By Sonya Hartnett:

The Silver Donkey Sonya Hartnett, 2004 Set in the French countryside during World War I this gently told fable of a lost soldier heroic children and a steadfast donkey explores rich territory in a tale of kindness loyalty and courage *Active Reading* Beth McGuire, 2008-12-30 Teacher Librarian Beth McGuire provides librarians and teachers with reproducible activities to encourage students to think about discuss and provide a purpose for reading current star reviewed and award winning literature while practicing their comprehension strategies Activities reinforce comprehension of the material and include an extension activity for going beyond the text allowing the students to practice their higher level thinking skills Librarians and teachers can make copies of the activities to directly incorporate into their lessons in the content areas Titles included are organized by level and by curricular area Usable for grades 6-8 **The Bulletin**, 2006 **Stripes of the Sidestep Wolf** Sonya Hartnett, 2011-05-24 Ever since Dad went off the deep end and decided he didn't need to work anymore insisting the Lord would provide Satchel O Rye has felt stuck for life in his dying country town A high school dropout drifting from one small carpentry job to the next Satchel can see nothing beyond his own dreary duty to help keep the family afloat But things **Thursday's Child** Sonya Hartnett, 2011-05-24 Harper and her family live in a ramshackle house in the country Her brother Tin lives below them building tunnels It is the Depression and each of them is coping in their own way One year their lives are changed forever by the misguided actions of a well heeled neighbour **Australian Book Review**, 2005 Raising Readers Megan Daley, 2019-04-02 Some kids refuse to read others won't stop not even at the dinner table Either way many parents question the best way to support their child's literacy journey When can you start reading to your child How do you find that special book to inspire a reluctant reader What can you do to keep your tween reading into their adolescent years Award winning teacher librarian Megan Daley the passionate voice behind the Children's Books Daily blog has the answers to all these questions and more She unpacks her twenty years of experience into this personable and accessible guide enhanced with up to date research and firsthand accounts from well known Australian children's authors It also contains practical tips such as suggested reading lists and instructions on how to run book themed activities Raising Readers is a must have resource for parents and educators to help the children in their lives fall in love with books *Instructor*, 2006 The School Librarian, 2005 **Mother-Texts** Julie Kelso, Marie Porter, 2010-07-12 Every day human beings tell and are told stories sometimes in obvious ways sometimes not Most of our communication with each other direct or indirect involves narrative production and reception Narrative is constitutive of human being However whose narratives are heard Feminists argue that the relations between language knowledge gender and power particularly the question as to whether man made and controlled language is a material fit to receive and convey woman's stories are critical issues because historically patriarchy has worked to silence women's dialogue Male knowledge unsurprisingly created and continues to create unrepresentative maternal narratives which lead to unreal expectations of mothers and motherwork It is

therefore disconcertingly significant for mothers that neither mothers nor their motherwork have been considered worthy of historical record nor are historical records usually written from a mother's perspective. Hence the narrative research in this book which gives recognition to motherhood mothers and or the work they do is valuable. It adds to the rapidly accumulating maternal research research that is now available for the historical record. Mothers are speaking up developing a canon of literature research narrated in maternal language and claiming maternal knowledge and power

The Treasure Box Margaret Wild, 2013-03-25 From two of our most talented picture book creators comes this celebration of things that can't be destroyed by bombs or fire. A haunting and beautiful tale of the power of words the importance of stories and the resilience of the human spirit. As war rages Peter and his father flee their home taking with them a treasure box that holds something more precious than jewels. They journey through mud and rain and long cold nights and soon their survival becomes more important than any possessions they carry. But as the years go by Peter never forgets the treasure box and one day he returns to find it

The Children of the King Sonya Hartnett, 2014-02-06 It's the Second World War and with London becoming an increasingly dangerous place to live the Lockwood children are whisked away to Heron Hall to stay with their Uncle Peregrine in the countryside. But when they discover two strange boys hiding in a nearby derelict castle the past and present collide

Braille Book Review, 2008 *The Publishers Weekly*, 2006

Australian Children's Authors Rachel Dixon, 2017-09-01 The short biographies in Australian Children's Authors are arranged alphabetically. They include a brief description of the genre and style of each author and a select bibliography of their publications. Children can browse through the list and look for an author whose work they would like to read. They can also find out about the history of writing for children in Australia. Included are tips for writing your own books and explanations that reveal how a writer turns thoughts into a finished book. Famous Australians presents short biographies of people who have made notable contributions to society and who have helped make sport and children's literature such important and popular aspects of Australian culture
