The Stone Key The Obernewtyn Chronicles 5 By Isobelle Carmody:

The Stone Key Isobelle Carmody, 2011-08-15 Friend becomes foe and trust is a thing of the past when the Misfits most relentless enemy on the cusp of ultimate revenge turns Elspeth's world upside down. Before it's too late, Elspeth must rescue a former ally whose mind and body have been manipulated to unleash a plague that will destroy all it touches. *Apocalypse in Australian Fiction and Film* Roslyn Weaver, 2014-01-10 Australia has been a frequent choice of location for narratives about the end of the world in science fiction and speculative works ranging from pre-colonial apocalyptic maps to key literary works from the last fifty years. This critical work explores the role of Australia in both apocalyptic literature and film. Works and genres covered include Nevil Shute's popular novel *On the Beach*, Mad Max children's literature, Indigenous writing and cyberpunk. The text examines ways in which apocalypse is used to undermine complacency, foretell environmental disasters, critique colonization and to serve as a means of protest for minority groups. Australian apocalypse imagines Australia at the ends of the world geographically and psychologically but also proposes spaces of hope for the future. **The Stone Key: The Obernewtyn Chronicles Volume 5** Isobelle Carmody, 2009-01-05 There was a great crash and wood splintered. I had a brief glimpse of a group of Herder priests, bald and robed, peering at me, and then the sundered remnants of the locker door were torn aside and a rough hand reached in to haul me out by the hair. A Hedra captain stared into my face with eyes that burned with a fanatical fire, above a thin nose and a lipless slash of a mouth. You will die in great pain and very slowly, mutant said the Hedra master. When Farseeker Guildmistress Elspeth Gordie sets out from Obernewtyn to travel to Sutrium at the end of Wintertime, she quickly learns that not everyone welcomes the changes brought about by the rebellion. Capture by an old and vicious enemy, she is drawn into the heart of the Herder Faction where she learns of a terrible plot to destroy the west coast. To stop it, Elspeth must risk everything, knowing that if she dies, she will never complete her quest to find the weapon-machines that destroyed the Beforetime. But if she succeeds, her journey will lead her to the last of the signs left for her by the seer Kasanda. **Wavesong** Isobelle Carmody, 2008-12-09 With the end of the Wintertime that isolates Obernewtyn from the rest of the world, Farseeker Guildmistress Elspeth Gordie again sets out for the lowlands. But she soon finds that not everyone welcomes the changes brought about by the rebellion. There is a traitor among the rebels, a traitor whose hatred of Misfits puts Elspeth in danger as she attempts to thwart an invasion of fanatical Herders.
