Copyright Office, 1974 *A Bibliography of Modern Arthuriana (1500-2000)* Ann F. Howey, Stephen Ray Reimer, 2006 Annotated bibliography of the Arthurian legend in modern English language fiction not only in literary texts but in television music and art The legend of Arthur has been a source of fascination for writers and artists in English since the fifteenth century when Thomas Malory drew together for the first time in English a variety of Arthurian stories from a number of sources to form the *Morte Darthur* It increased in popularity during the Victorian era when after Tennyson's

treatment of the legend not only authors and dramatists but painters musicians and film makers found a source of inspiration in the Arthurian material This interdisciplinary annotated bibliography lists the Arthurian legend in modern English language fiction from 1500 to 2000 including literary texts film television music visual art and games It will prove an invaluable source of reference for students of literary and visual arts general readers collectors librarians and cultural historians indeed by anyone interested in the history of the ways in which Camelot has figured in post medieval English speaking cultures ANN F HOWEY is Assistant Professor at Brock University Canada STEPHEN R REIMER is Associate Professor at the University of Alberta Canada From Camelot to Spamalot Megan Woller, 2021 For centuries Arthurian legend has captured imaginations throughout Europe and the Americas with its tales of Camelot romance and chivalry The ever shifting age old tale of King Arthur and his world is one which depends on retellings for its endurance in the cultural imagination Using adaptation theory as a framework From Camelot to Spamalot foregrounds the role of music in selected Arthurian adaptations examining six stage and film musicals The book considers how musical versions in twentieth and twenty first century popular culture interpret the legend of King Arthur contending that music guides the audience to understand this well known tale and its characters in new and unexpected ways All of the productions considered include an overtly modern perspective on the legend intruding and even commenting on the tale of King Arthur Shifting from an idealistic utopia to a silly place the myriad notions of Camelot offer a look at the importance of myth in American popular culture Author Megan Woller's approach rooted in the literary theory of scholars like Linda Hutcheon highlights the intertextual connections between chosen works and Arthurian legend In so doing From Camelot to Spamalot intersects with and provides a timely contribution to several different fields of study from adaptation studies and musical theater studies to film studies and Arthurian studies

Arthurian Legends on Film and Television Bert Olton, 2008-10-23 The Arthurian legends are a crucial part of Western culture With their enduring themes archetypal characters and complex plots it is not surprising that the stories of Camelot should find their way into films and television programs From the moody *Excalibur* to the looney *Knighty Knight Bugs* more than 250 entries give complete credits synopses and analyses Included are works based solely on Arthur and his literary origins and works that feature other figures like Galahad Percival and the operatic favorites Tristan and Isolde Also included are animated films parodies like Monty Python's films like *Indiana Jones* and the *Last Crusade* with Arthurian themes and television series with Arthurian episodes such as *Babylon 5* and *MacGyver* Operatic and dramatic works recorded for film and television like *Camelot* are also covered Appendices bibliography and index **Walt Disney's The Sword in the Stone Activity Book**, 1987 **Social Aesthetics and the School Environment** Adam I. Attwood, 2017-09-30 This book theorizes aesthetic classroom management through a hermeneutical approach with three fields of literature history and philosophical foundations of chivalry chivalry's promulgation through the Victorian Age and parallel issues of identity in twenty first century teacher education The aim of the book is to examine the relationship between chivalric ethos and education The

presented case study addresses more specifically the following question how can chivalry be re imagined or theorized in an educational setting Few studies address the concept of aesthetics and hermeneutical context in American classroom management and classroom life and Attwood pinpoints and traces the medieval social concept of chivalry through the centuries and argues it has manifested itself in classroom social construction in the twenty first century Crossover Fiction Sandra L. Beckett,2010-11-24 In Crossover Fiction Sandra L Beckett explores the global trend of crossover literature and explains how it is transforming literary canons concepts of readership the status of authors the publishing industry and bookselling practices This study will have significant relevance across disciplines as scholars in literary studies media and cultural studies visual arts education psychology and sociology examine the increasingly blurred borderlines between adults and young people in contemporary society notably with regard to their consumption of popular culture **Walt Disney and the Quest for Community** Steve Mannheim,2016-02-24 During the final months of his life Walt Disney was consumed with the world wide problems of cities His development concept at the time of his death on December 15th 1966 would be his team s conceptual response to the ills of the inner cities and the sprawl of the megalopolis the Experimental Prototype Community of Tomorrow or as it became known EPCOT This beautifully written instantly engrossing volume focuses on the original concept of EPCOT which was conceived by Disney as an experimental community of about 20 000 people on the Disney World property in central Florida With its radial plan 50 acre town center enclosed by a dome themed international shopping area greenbelt high density apartments satellite communities monorail and underground roads the original EPCOT plan is reminiscent of post war Stockholm and the British New Towns as well as today s transit oriented development theory Unfortunately Disney himself did not live long enough to witness the realization of his model city However EPCOT s evolution into projects such as the EPCOT Center and the town of Celebration displays a remarkable commitment by the Disney organization to the original EPCOT philosophy one which continues to have relevance in the fields of planning and development **Representing Children in Chinese and U.S. Children's Literature** Claudia Nelson,Rebecca Morris,2016-04-08 Bringing together children s literature scholars from China and the United States this collection provides an introduction to the scope and goals of a field characterized by active but also distinctive scholarship in two countries with very different rhetorical traditions The volume s five sections highlight the differences between and overlapping concerns of Chinese and American scholars as they examine children s literature with respect to cultural metaphors and motifs historical movements authorship didacticism important themes and the current status of and future directions for literature and criticism Wide ranging and admirably ambitious in its encouragement of communication between scholars from two major nations Representing Children in Chinese and U S Children s Literature serves as a model for examining how and why children s literature more than many literary forms circulates internationally *Catalog of Copyright Entries, Third Series* Library of Congress. Copyright Office,1973 The record of each copyright registration listed in the Catalog includes a

description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc *Motion Pictures from the Fabulous 1980's* Terry Rowan,2015-06-27 The decade of the 1980s and its movies and events that shape this Comeback decade The Reagan Years Michael Jackson Whitney Houston Cher and Madonna The Berlin Wall coming down **The Disney Middle Ages** T. Pugh,S. Aronstein,2012-12-10 For many the middle ages depicted in Walt Disney movies have come to figure as the middle ages forming the earliest visions of the medieval past for much of the contemporary Western and increasingly Eastern imagination The essayists of *The Disney Middle Ages* explore Disney's mediation and re creation of a fairy tale and fantasy past not to lament its exploitation of the middle ages for corporate ends but to examine how and why these medieval visions prove so readily adaptable to themed entertainments many centuries after their creation What results is a scrupulous and comprehensive examination of the intersection between the products of the Disney Corporation and popular culture's fascination with the middle ages Supplement of Statutes and Court Decisions ,1973 **From Hollywood to Disneyland** Robert Neuman,2022-10-31 From its beginnings Disneyland was destined to be something entirely different from the standard mid century amusement park To sell his dream park to investors and the public Walt Disney recruited Hollywood art directors and sketch artists to design the grounds around the mythic settings and high minded ideals commonly expressed on the silver screen This book focuses on the initial planning of Disneyland and its first year of operation a time when Walt personally oversaw every detail of the park's development Divided into chapters by park zone it reveals how the five sectors were constructed using illusionistic tricks of stage design Reaching beyond structure and design chapters also explore how the sectors Main Street U S A Frontierland Tomorrowland Adventureland and Fantasyland represented themes found in Disney stories familiar movie genres and American culture at large **Billboard** ,1987-12-26 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Statutes and Court Decisions, Federal Trade Commission** United States.
