The Turning Bill McCluskey, 2008 *Detoxing Masculinity in Anglophone Literature and Culture* Sara Martín, M. Isabel Santaulària, 2023-03-07 This edited volume rethinks Masculinity Studies by breaking away from the notion of the perpetual crisis of masculinity It argues that not enough has been done to distinguish patriarchy from masculinity and proposes to detox masculinity by offering a collection of positive representations of men in fictional and non fictional texts The editors show how ideas of hegemonic and toxic masculinity have been too fixed

on the exploration of dominance and subservience and too little on the men and the male characters in fiction who behave following other ethical personal and socially accepted patterns Bringing together research from different periods and genres this collection provides broad multidisciplinary insights into alternative representations of masculinity **Grounded in the Body, in Time and Place, in Scripture** Jill Firth, Denise Cooper-Clarke, 2021-02-01 In my bibliographies there are no women in the evangelical tradition and no Australian women scholars This unique volume addresses this gap with eighteen biblically rich and academically rigorous chapters by established and emerging Australian women scholars in the evangelical tradition The authors consider our relationship with the land and Indigenous peoples neighborhood embodiment disability abortion leadership work architecture the media Song of Songs and domestic violence and Jeremiah and weaponized rape and demonstrate recent methodologies such as a social identity reading of Exodus sensory readings of Psalms and John's Gospel and discipleship readings of Mary and Martha and the woman at the well A contemporary Kriol psalm and stories of pioneering Australian women theological students and teachers complete the volume Valuable for students and teachers across Bible theology ministry and practice subjects this book is an essential inclusion in any theological library

Cloudstreet by Tim Winton Sarah Rutherford, 2001 White Vanishing Elspeth Tilley, 2012-01-01 The story of the vulnerable white person vanishing without trace into the harsh Australian landscape is a potent and compelling element in multiple genres of mainstream Australian culture It has been sung in Little Boy Lost brought to life on the big screen in Picnic at Hanging Rock immortalized in Henry Lawson's poems of lost tramps and preserved in the history books tales of Leichhardt or Burke and Wills wandering in mad circles A world wide audience has also witnessed the many layered and oddly strident nature of Australian disappearance symbolism in media coverage of contemporary disappearances such as those of Azaria Chamberlain and Peter Falconio White Vanishing offers a revealing and challenging re-examination of Australian disappearance mythology exposing the political utility at its core Drawing on wide ranging examples of the white vanishing myth the book provides evidence that disappearance mythology encapsulates some of the most dominant and durable categories at the heart of white Australian culture and that many of those ideas have their origin in colonial mechanisms of inequality and oppression White Vanishing deliberately and perhaps controversially reminds readers that while power is never absolute or irresistible some narrative threads carry a particularly authoritative inheritance of ideas and power relations through time Cambridge International AS and A Level Literature in English Coursebook Elizabeth Whittome, 2014-07-24 Comprehensive student friendly resources designed for teaching Cambridge International AS and A Level Literature in English syllabus 9695 This Coursebook is a comprehensive guide to the study of Literature in English at AS and A Level encouraging both the enjoyment of literature and rigorous academic study It provides a clear approach for any Literature studies syllabus and is divided into three parts Part 1 and Part 2 covering poetry prose and drama at AS and A Level respectively and Part 3 covering key skills needed to succeed in assessment It contains a range of stimulating literary

material from around the world including poems and extracts from plays and prose fiction selected to include Cambridge set texts *Fatherhood in Contemporary Discourse* Anna Pilińska, 2017-05-11 This volume offers a variety of perspectives on contemporary fatherhood from analyses of literature film drama and popular culture to issues tackled by psychology gender studies and social sciences Arranged into thematic sections the chapters cover a wide range of approaches to fatherhood including studies and analyses based on fieldwork and interviews with participants Each chapter discusses various culture dependent models of masculinity in relation to the topic of fatherhood depicted in works of literary and film art emphasizing the crucial factors and features which make all these models different from one another and using examples of such cultural contexts as Australia China Indonesia Brazil and Iran With the use of methodological tools provided by literature studies film studies culture studies psychology gender and queer studies and sociology the book is a comprehensive insight into current research on both real life and fictional realizations of fatherhood **Charged with the Glory of God** Caroline

Batchelder, 2023-07-26 Isaiah's servant songs reveal a true and better Adam In *Charged with the Glory of God* Caroline Batchelder provides a synchronic theological and canonical reading of the four Servant Songs in Isaiah 42 1 9 49 1 13 50 3 11 52 13 53 12 showing how they relate to one another and the message of the prophetic book Reading Isaiah as a compositional unity in conversation with other texts such as Genesis results in a coherent presentation of the mysterious servant The polemic against idolatry reveals rebellious Israel to be false imagers of God In contrast Isaiah's servant is an ideal embodiment of Yahweh's image and likeness Thus the servant is a paradigm for those who wish to recapture and realize God's good creation purposes for all humanity The servant poems are not only a call to reorient oneself as a servant towards God and his creation but also a map and means for doing so In this study Batchelder offers fresh insights from Isaiah for understanding God's true image and its idolatrous counterfeits **A Companion to Australian Cinema** Felicity
