own children's book this book will provide the information and resources you need to get published Multiracial Identity in Children's Literature Amina Chaudhri, 2017-02-10 Racially mixed children make up the fastest growing youth demographic in the U.S. and teachers of diverse populations need to be mindful in selecting literature that their students can identify with. This volume explores how books for elementary school students depict and reflect multiracial experiences through text and images. Chaudhri examines contemporary children's literature to demonstrate the role these books play in perpetuating and resisting stereotypes and the ways in which they might influence their readers. Through critical analysis of contemporary children's fiction, Chaudhri highlights the connections between context, literature, and personal experience to deepen our understanding of how children's books treat multiracial identity.

If Kids Could Vote Sally Sugarman, 2007-01-01 Building on previous research and including interviews and surveys of children, this book examines the effect of the media, including television, video games, films, books, and text books, on children's ideas about democracy as well as the implications that their classroom and media experiences have on their preparation for citizenship.

Child-Sized History Sara L. Schwebel, 2011-11-15 The classroom canon of young adult novels in historical context.

Richard Peck Amy Sickels, 2013-11 When he was 37 years old, Richard Peck quit his teaching career to see if he could become a writer. More than 30 years later, Richard Peck is one of America's most popular young adult authors.

Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives, and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read. It explores a great variety of works, genres, and formats, but it places special emphasis on contemporary works whose nontraditional themes, protagonists, and literary conventions make them well suited to young adult readers. It also looks at the ways in which contemporary readers access and share the works they're reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs. In addition to traditional genre chapters, *Literature for Young Adults* includes chapters on literary nonfiction, poetry, short stories, and drama, cover art, picture books, illustrated literature, and graphic novels and film. It recognizes that while films can be used to complement print literature, they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with. The book's discussion of literary language, including traditional elements as well as metafictional terms, enables readers to share in a literary conversation with their students and others when communicating about books. It will help readers teach young adults the language they need to articulate their responses to the books they are reading.

Experiencing America's Story through Fiction Hilary Susan Crew, 2014-07-11 Historical fiction helps young adults imagine the past through the lives and relationships of its protagonists, putting them at the center of fascinating times and places. And the new Common Core Standards allow for use of novels alongside textbooks for teaching history. Perfect for classroom use and YA readers, Crew's book highlights more than 150 titles of historical fiction published since 2000.

that are appropriate for seventh to twelfth graders Choosing award winners as well as novels which have been well reviewed in Booklist The Horn Book Multicultural Review History Teach Journal of American History and other periodicals this resource assists librarians and educators bySpotlighting novels with a multiplicity of voices from different cultures races and ethnicitiesFeaturing both YA novels and novels written for adults that are appropriate for teensOffering thorough annotations with an examination of each novel s historical contentProviding discussion questions and online resources for classroom use that encourage students to think critically about the book and compare ideas and events in the story to actual historyThis book will help teachers of history as well as school and public librarians who work with youth to promote a more inclusive understanding of America s story through historical fiction Naked Reading Teri S. Lesesne,2006 Teri draws on her extensive experience as a teacher and consultant to examine ways that educators can help interest kids in books and keep them reading during this crucial period BOOK JACKET **Newbery Award Winning Authors , Differentiation**
