

PLATO'S «SYMPOSIUM»

A TRANSLATION BY Seth Benardete

WITH COMMENTARIES BY Allan Bloom and Seth Benardete

The Symposium By Plato

Plato

The Symposium By Plato:

Plato: The Symposium Frisbee C. C. Sheffield, 2008-04-24 Plato's Symposium written in the early part of the 4th century BC is set at a drinking party symposium attended by some of the leading intellectuals of the day including Aristophanes the comic dramatist Socrates Plato's mentor and Alcibiades the brilliant but eventually treacherous politician Each guest gives a speech in praise of the benefits of desire and its role in the good and happy human life At the core of the work stands Socrates' praise of philosophical desire and an argument for the superiority of the philosophical life as the best route to happiness This edition provides an accessible and engaging new translation by M C Howatson and a substantial introduction by Frisbee C C Sheffield which guides the reader through the various parts of the dialogue and reflects on its central arguments A chronology and detailed notes on the participants help to set this enduring work in context

Symposium Plato, Hayden Pelliccia, 1996 Translated by Jordan Stump introduction by Caleb Carr and original illustrations by Jules Ferat **The Symposium** Plato, 2005-08-25 Plato's retelling of the discourses between Socrates and his friends on such subjects as love and desire truth and illusion spiritual transcendence and the qualities of a good ruler profoundly affected the ways in which we view human relationships society and leadership and shaped the whole tradition of Western philosophy Symposium Plato, 1989-05-01 A model of the kind of text one needs for lecture courses the translation is extremely readable and made even more accessible by intelligent printing decisions on dividing the text spacing for clarification etc the notes are kept to a minimum but appear when they are really needed for comprehension and are truly informative And the introduction admirably presents both basic information and a sense of current scholarly opinion S G Nugent Princeton University **The Symposium** Plato, 2002 Excerpt sort is there any disgrace in being deceived but in every other case there is equal disgrace in being or not being deceived For he who is gracious to his lover under the impression that he is rich and is disappointed of his gains because he turns out to be poor is disgraced all the same for he has done his best to show that he would give himself up to any one's uses base for the sake of money but this is not honourable And on the same principle he who gives himself to a lover because he is a good man and in the hope that he will be improved by his company shows himself to be virtuous even though the object of his affection turn out to be a villain and to have no virtue and if he is deceived he has committed a noble error For he has proved that for his part he will do anything for anybody with a view to virtue and improvement than which there can be nothing nobler Thus noble in every case is the acceptance of another for the sake of virtue This is that love which is the love of the heavenly goddess and is heavenly and of great price to individuals and cities making the lover and the beloved alike eager in the work of their own improvement But all other loves are the offspring of the other who is the common goddess To you Phaedrus I offer this my contribution in praise of love which is as good as I could make extempore Pausanias came to a pause **Plato's Symposium** Plato, 2013-01-07 Plato Allan Bloom wrote is the most erotic of philosophers and his Symposium is one of the greatest works

on the nature of love ever written This new edition brings together the English translation of the renowned Plato scholar and translator Seth Benardete with two illuminating commentaries on it Benardete's *On Plato's Symposium* and Allan Bloom's provocative essay *The Ladder of Love* In the *Symposium* Plato recounts a drinking party following an evening meal where the guests include the poet Aristophanes the drunken Alcibiades and of course the wise Socrates The revelers give their views on the timeless topics of love and desire all the while addressing many of the major themes of Platonic philosophy the relationship of philosophy and poetry the good and the beautiful

Symposium Plato, 1948 *Plato: The Symposium* Frisbee C. C. Sheffield, 2008-04-24 Plato's *Symposium* written in the early part of the 4th century BC is set at a drinking party symposium attended by some of the leading intellectuals of the day including Aristophanes the comic dramatist Socrates Plato's mentor and Alcibiades the brilliant but eventually treacherous politician Each guest gives a speech in praise of the benefits of desire and its role in the good and happy human life At the core of the work stands Socrates' praise of philosophical desire and an argument for the superiority of the philosophical life as the best route to happiness This edition provides an accessible and engaging new translation by M C Howatson and a substantial introduction by Frisbee C C Sheffield which guides the reader through the various parts of the dialogue and reflects on its central arguments A chronology and detailed notes on the participants help to set this enduring work in context

Symposium, 1896

Symposium Platón, 2010-10-17 Being led by another to the things of love is to begin from the beauties of earth and mount upwards for the sake of that other beauty until he arrives at the notion of absolute beauty and at last knows what the essence of beauty is

Lakoma Plato, Kenneth James Dover, 1980 Plato's *Symposium* is the most literary of all his works and one which all students of classics are likely to want to read whether or not they are studying Plato's philosophy But the reader does need help in appreciating both the artistry and the arguments and in comprehending the social and cultural background against which the praise of love is delivered Sir Kenneth Dover provides here a sympathetic and modern edition of the kind that is long overdue It consists of an introduction the Greek text accompanied by a very abbreviated critical apparatus and a commentary on the text which is intended to elucidate the Greek to make the philosophical argument intelligible and to relate the content of what is said to the concepts and assumptions of contemporary morality and society An edition for students of Greek in universities and the upper forms of schools

Symposium (Annotated) Plato, 2015-10-23 Of all the works of Plato the *Symposium* is the most perfect in form and may be truly thought to contain more than any commentator has ever dreamed of or as Goethe said of one of his own writings more than the author himself knew For in philosophy as in prophecy glimpses of the future may often be conveyed in words which could hardly have been understood or interpreted at the time when they were uttered compare *Symp* which were wiser than the writer of them meant and could not have been expressed by him if he had been interrogated about them

Symposium by Plato Plato, 2020-03-25 The *Symposium* is a philosophical text by Plato dated c 385-370 BC The event depicted in the *Symposium* is a banquet attended by a group of men

who have come to the symposium which was in ancient Greece a traditional part of the same banquet that took place after the meal when drinking for pleasure was accompanied by music dancing recitals or conversation The setting means that the participants will be drinking wine meaning that the men might be induced to say things they wouldn't say elsewhere or when sober They might speak more frankly or take more risks or else be prone to hubris they might even be inspired to make speeches that are particularly heartfelt and noble The men include the philosopher Socrates the general and political figure Alcibiades and the comic playwright Aristophanes The host has challenged the men to deliver each in turn an encomium a speech in praise of Love Eros Though other participants comply with this challenge Socrates notably refuses to participate in such an act of praise and instead takes a very different approach to the topic The party takes place at the house of the tragedian Agathon in Athens This dialogue is one of Plato's major works and is appreciated for both its philosophical content and its literary qualities A True Classic for Lovers of Philosophical Texts **Plato's Symposium** Richard L. Hunter, 2004

The Symposium is one of Plato's most sophisticated meditations on the practice of philosophy This book introduces the context of Plato's work surveys and explains the arguments and considers why Plato has cast this work in a highly unusual narrative form **Symposium** Plato, 2016-06-10 The Symposium is a philosophical text by Plato dated c 385-370 BC It concerns itself at one level with the genesis purpose and nature of love and in latter day interpretations is the origin of the concept of Platonic love Love is examined in a sequence of speeches by men attending a symposium or drinking party Each man must deliver an encomium a speech in praise of Love Eros The party takes place at the house of the tragedian Agathon in Athens Socrates in his speech asserts that the highest purpose of love is to become a philosopher or literally a lover of wisdom Commonly regarded as one of Plato's major works the dialogue has been used as a source by social historians seeking to throw light on life in ancient Athens in particular upon human sexuality and the symposium as an institution

The Symposium of Plato Plato, 2002 The Symposium (Collins Classics) Plato, 2025-09-11 HarperCollins is proud to present a range of best loved essential classics Symposium Plato, 2005-03-01 In his celebrated masterpiece Symposium Plato imagines a high society dinner party in Athens in 416 BC The guests including the comic poet Aristophanes and Plato's mentor Socrates each deliver a short speech in praise of love The sequence of dazzling speeches culminates in Socrates famous account of the views of Diotima a prophetess who taught him that love is our means of trying to attain goodness and a brilliant sketch of Socrates himself by a drunken Alcibiades the most popular and notorious Athenian of the time Engaging the reader on every page this new translation conveys the power humor and pathos of Plato's creation and is complemented by full explanatory notes and an illuminating introduction *Symposium (Illustrated)* Plato, 2020-07-08 In Symposium Plato presents an imaginary dinner party set in Athens in 416 BC where the guests include Aristophanes Socrates and the most popular Athenian of his day Alcibiades A sequence of dazzling speeches culminates in Socrates famous account of the views of Diotima a prophetess who taught him that love is our means of trying to attain goodness *The Symposium of Plato* R. G.

Bury, 1909

The Symposium By Plato Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Symposium By Plato PDF books and manuals is the internet's largest free library. Hosted

online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Symposium By Plato PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Symposium By Plato free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
