The Best of Us Sarah Pekkanen, 2013-04-09 Paradise isn't quite what it seems as four college friends meet for an island vacation in this captivating new novel from the acclaimed author of *These Girls*. An all-expense-paid week at a luxury villa in Jamaica is the invitation of a lifetime for a group of old college friends. All four women are desperate not just for a reunion but for an escape. Tina is drowning under the demands of mothering four young children. Allie is shattered by the news that a genetic illness runs in her family. Savannah is carrying the secret of her husband's infidelity. And finally there's Pauline who spares no expense to throw her wealthy husband an unforgettable thirty-fifth birthday celebration hoping it will gloss over the cracks already splitting apart their new marriage. Languid hours on a private beach, gourmet dinners, and late nights of drinking kick off an idyllic week for the women and their husbands. But as a powerful hurricane bears down on the island, turmoil swirls inside the villa, forcing each of the women to reevaluate everything she knows about her friends and herself.

After I Do Taylor Jenkins Reid, 2023-01-05 From the New York Times bestselling author of *The Seven Husbands of Evelyn Hugo* comes a breath-taking novel about modern marriage, the depth of family ties, and the year that one remarkable heroine spends exploring both. When Lauren and Ryan's marriage reaches the breaking point, they come up with an unconventional plan. They decide to take a year off in the hopes of finding a way to fall in love again. One year apart and only one rule: they cannot contact each other. Aside from that, anything goes. Lauren embarks on a journey of self-discovery, quickly finding that her friends and family have their own ideas about the meaning of marriage. These influences, as well as her own healing process and the challenges of living apart from Ryan, begin to change Lauren's ideas about monogamy and marriage. She starts to question: When can you have romance without loyalty and commitment without marriage? When love and lust are no longer tied together, what do you value? What are you willing to fight for? This is a love story about what happens when the love fades. It's about staying in love, seizing love, forsaking love, and committing to love with everything you've got. And above all, *After I Do* is the story of a couple caught up in an old game and searching for a new road to happily ever after.
