*Tales of People Who Get It* Avil Beckford, 2007-03-03 Tales of People Who Get It is based on the ideas actions and beliefs that were uncovered in interviews of 34 highly successful individuals from Canada the United States Sweden Switzerland Jamaica and South Africa The responses to the interviews form each individual story And the effect is startling when you ve finished reading the stories you get the sense that every thing is connected that we re all connected There is also a sense of comfort in knowing that any of the stories could be your story because while these are successful people who get it they are also ordinary people with the same challenges and struggles we all face It s a chance to learn from the way they resolve these struggles and apply the lessons when those same challenges arise in your life      **Learning from Life** James A. Morack, 2007-08-28 Every one of us is on our own unique journey through life And each of our journeys contains many learning opportunities What we choose to do with those learning opportunities shapes our individual destinies How we respond to life its challenges and its blessings defines us for who we truly are Learning from Life describes one mans journey It highlights the significant yet simple ideas that have played a role in not only his ability to survive challenges but to understand and grow from them Therein lies the magnificence of truly learning from life Some of those lessons include the importance of gratitude taking care of yourself dealing with fear going beyond our comfort zone self discovery setting goals and much more There is real joy in knowing that at any point in your life you can create a new beginning This book will provide you with insights and ideas on how you can do that too With each lesson learned comes a new beginning a chance to step out once more and do things differently the next time Armed with a greater understanding of what comes from finding the beneficial aspects of our life experiences we can greet each new moment in our lives with a fresh perspective one that hopefully makes living more enjoyable for us and those around us And in greeting that new moment with a fresh perspective we create new beginnings for ourselves continually      *The 6 Ifa paths to success and prosperity* Daviel Valdés, 2021-05-27

Don't you think it is already the moment to make a radical change in your life? Don't you think it is the time to achieve your most immediate goals and to go in search of everything you've ever wished for? This book will guide you through the different Ifa paths to learn about and implement the six most important laws of success. These universal laws have always existed and from the beginning have been immersed within the teachings of Ifa. But very few people have been able to really understand their essence and put them into practice as it is required to be done. It is a mistake to think that we come into the world for something other than to enjoy a fulfilling life, a life overflowing with financial success, love, health, and happiness. No matter how difficult your past was or how complicated your present may be, no matter the place where you are or the incomes you are receiving, no matter your sex or your age, regardless of your condition, this book will change your life forever and will lead you to achieve the goals and the lifestyle you've always dreamed of.

**Seven Secrets** Jimmy Campbell, 2013-07-31 In high school and technical college, the subject how to achieve your dreams was never an elective that was available. Maths, English, geography, and the like were really the only options. Our parents told us to try hard, get good grades, and do our best so that we could get a good job. However, the secrets of success remained hidden, and these were things that we had to seek and find out for ourselves. *Seven Secrets* is a powerful and to the point summary of everything you ever wanted to know that was never taught in school. How do you achieve a dream? How do you believe in yourself and become successful in life? How do you make your dreams a reality and get what you want? These are the questions that are directly answered in *Seven Secrets*. You are already smart enough; you deserve happiness and success. *Seven Secrets* will show you how to achieve your dreams.
