*Visual Journeys Through Wordless Narratives* Evelyn Arizpe, Teresa Colomer, Carmen Martínez-Roldán, 2014-04-30 Winner of the Literacy Research Association's 2015 Edward B Fry Book Award Immigration is an ongoing global phenomenon and schools and teachers in host countries must continually find new ways of working with the increasing numbers of immigrant pupils including refugees and asylum seekers Language and literacy are crucial for inclusion in a new context but these must be developed in spaces where these children feel safe to explore themes that resonate with their experiences to express their understanding and to engage in intercultural exchange *Visual Journeys Through Wordless Narratives* presents the exploration of response strategies to Shaun Tan's *The Arrival* The inquiry was carried out in educational settings with children from many different parts of the world in four host countries the UK Spain Italy and the USA The findings reveal the benefits of using wordless narratives such as picturebooks and graphic novels together with visual strategies to support immigrant children's literary understandings and visual literacy They also reveal the wealth of experiences the children bring with them which have the potential to transform educational practices

**Postmodern Picturebooks** Lawrence R. Sipe, Sylvia Pantaleo, 2010-04-26 Over the past 15 years there has been a pronounced trend toward a particular type of picturebook that many would label postmodern Postmodern picturebooks have stretched our conventional notion of what constitutes a picturebook as well as what it means to be an engaged reader of these texts The international researchers and scholars included in this compelling collection of work critically examine and discuss postmodern picturebooks and reflect upon their unique contributions to both the field of children's literature and to the development of new literacies for child adolescent and adult readers

**Children's Literature and Culture** Rebecca Rowe, 2025-08-08 *Children's Literature and Culture* An Introduction guides readers in the study of culture in around and through children's literature Children's literature has long been used as a mechanism by which a culture passes its values from one generation to the next Because of this culturally didactic purpose children's literature can be viewed as one of the most fruitful areas of study of any given culture At the same time studying the cultures from which works of children's

literature emerge and in which they circulate can also help better understand not only the ideas of childhood that underpin individual texts for children but the role they play in the construction and transmission of different cultural ideologies This book teaches readers this double work of using culture to understand children s literature and vice versa This volume traces the scholarly methodologies and histories that have attended the study of each of the 20 chapters given subject from the representation of race in and around children s literature to questions of censorship to how libraries can and do shape children s literature In the process it prepares readers to confidently enter and forward scholarly debates and to teach such debates to their own students

Roche focuses on carefully chosen picturebooks as a stimulus for discussion and shows how they can constitute an accessible multimodal resource for adding to literacy skills while at the same time developing in pupils a far wider range of literary understanding. By allowing time for thinking about and digesting the pictures as well as the text and then engaging pupils in classroom discussion, this book highlights a powerful means of developing children's oral language ability, critical thinking and visual literacy while also acting as a rich resource for developing children's literary understanding. Throughout, Roche provides rich data and examples from real classroom practice. This book also provides an overview of recent international research on doing interactive read alouds, on what critical literacy means, on what critical thinking means and on picturebooks themselves. Lecturers on teacher education courses for early years or primary levels, classroom teachers, pre-service education students and all those interested in promoting critical engagement and dialogue about literature will find this an engaging and very insightful text.
