

The background of the cover is a dramatic landscape. In the foreground, a person with long blonde hair, wearing a dark jacket and pants, stands on a rocky cliff edge, looking out over the ocean. The cliff is covered in green vegetation. In the middle ground, a large, multi-masted sailing ship is on the water. The sky is filled with dark, heavy clouds, and a bright lightning bolt strikes down towards the ship. The title 'THE UNICORN TREE' is written in large, yellow, serif capital letters across the top half of the image.

The Unicorn Tree By Cynthia Collins:

The Unicorn Tree Cynthia Collins,2012-02 Lisa Duncan a seventeen year old high school senior has an assignment to tour a historic site and write a report about it She chooses Mirabelle Manor a large estate overlooking the ocean built by a nineteenth century sea captain for his wife During the tour she thinks Mirabelle s portrait is watching her One of the items on display is a diary open to a passage about going to a place called the unicorn tree to watch for ships This appeals to Lisa because her brother is currently on a commemorative voyage sailing across the Atlantic When news arrives that his ship is lost at sea Lisa s interest in the diary changes from curiosity to determination in hopes of discovering what happened to her brother

Anthology of Magazine Verse and Yearbook of American Poetry ,1980 The Making of Modern Children's Literature in Britain Lucy Pearson,2016-03-03 Lucy Pearson s lively and engaging book examines British children s literature during the period widely regarded as a second golden age Drawing extensively on archival material Pearson investigates the practical and ideological factors that shaped ideas of good children s literature in Britain with particular attention to children s book publishing Pearson begins with a critical overview of the discourse surrounding children s literature during the 1960s and 1970s summarizing the main critical debates in the context of the broader social conversation that took place around children and childhood The contributions of publishing houses large and small to changing ideas about children s literature become apparent as Pearson explores the careers of two enormously influential children s editors Kaye Webb of Puffin Books and Aidan Chambers of Topliner Macmillan Brilliant as an innovator of highly successful marketing strategies Webb played a key role in defining what were in her words the best in children s books while Chambers work as an editor and critic illustrates the pioneering nature of children s publishing during this period Pearson shows that social investment was a central factor in the formation of this golden age and identifies its legacies in the modern publishing industry both positive and negative
