Winter's Child Christine Shuck, 2024-03-04 Yet fate in its unpredictable way bestows upon Nichole and Jhon a bittersweet miracle when tragedy strikes That miracle is Elizabeth an innocent girl forsaken by her birth mother and then tragically orphaned in a mysterious fire In Elizabeth Nichole and Jhon see the embodiment of their longings for love and family They welcome her into their lives with open hearts believing that the three of them will create the perfect family As the seasons pass Elizabeth s demeanor shifts like the changing weather She is shy and sweet in the spring warm and outgoing in the summer However as autumn descends so too does Elizabeth s temperament veering towards anxiety and withdrawal And with the arrival of the cold dark nights of winter a chilling transformation takes place Elizabeth becomes something entirely unexpected Manipulative Cunning Dangerous Nichole s idyllic dreams of family life quickly crumble as she realizes that the foundation upon which they are built harbors nightmarish secrets In order to protect the ones she loves most she must summon the strength to defy her own instincts and challenge the very principles that define her as a mother In this gripping psychological domestic thriller Nichole s struggle for survival takes center stage as she grapples with the unthinkable and confronts the darkness lurking within her once promising family Recent reviewers have said Everything about Winter s Child is absolutely terrifying I had things to do this week Time sensitive things that needed my attention People in my life that needed caring for Instead I holed up and speed read this compulsively tantalizing little horror thriller novel Highly recommend It s fun it s creepy it s unexpected Would you protect this child at all costs no matter what I loved every second of this thriller Definitely a must read for anyone looking for a thriller suspense book Strap on your seatbelt and prepare yourself for one wild rollercoaster of a ride through this story Excellent book Such an original story line I m struggling to write this review because I do not want to give anything away You just have to read it for yourself Winter s Child is a taut and chilling thriller from Christine Shuck a gripping page turner in
