The Warrior Image Andrew J. Huebner, 2011-12-01 Images of war saturated American culture between the 1940s and the 1970s as U S troops marched off to battle in World War II the Korean War and the Vietnam War Exploring representations of servicemen in the popular press government propaganda museum exhibits literature film and television Andrew Huebner traces the evolution of a storied American icon the combat soldier Huebner challenges the pervasive assumption that Vietnam brought drastic changes in portrayals of the American warrior with the jaded serviceman of the 1960s and 1970s shown in stark contrast to the patriotic citizen soldier of World War II In fact Huebner shows cracks began to appear in sentimental images of the military late in World War II and were particularly apparent during the Korean conflict Journalists filmmakers novelists and poets increasingly portrayed the steep costs of combat depicting soldiers who were harmed rather than hardened by war isolated from rather than supported by their military leadership and American society Across all three wars Huebner argues the warrior image conveyed a growing cynicism about armed conflict the federal government and Cold War militarization

Letters from Korea Julia Irvine, 2014-03 The lost art of letter writing comes alive in a soldier s letters from the front in *Letters from Korea* an historical bit of Americana from the year 1953 when the United States was fighting in the Korean War These letters were written to the author s mother Elsie Jones Irvine while her father James Preston Irvine was stationed in Korea during the war They are not only love letters but are a chronicle of the time providing an intriguing slice of history of what was happening during that era in both countries Julia Irvine came across the letters in an old footlocker in 2005 fifty two years after they were written Retired teacher Julia Irvine grew up an Army brat She now lives in Columbus Georgia This is her first book which was inspired by finding the letters my father wrote to my mother Publisher s website <http://sbrabooks.com/JuliaIrvine>

A Linguistic Image of Womanhood in South Korea Jieun Kiaer, Jiyoung Shin, 2022-12-30 A Linguistic Image of Womanhood in South Korea examines the verbal and non verbal techniques used by contemporary South Korean women to navigate their society South Korea is extremely hierarchical and this is expressed through a complex array of different politeness levels in words gestures and behaviours These hierarchies were formed over 500 years ago with the introduction of Neo Confucianism from China but patriarchal and paternalistic

values still linger in contemporary Korean society In this book the authors have coined the term language cosmetics to describe how women in South Korea modify their language and behaviour to conform to social expectations The book examines womanhood and femininity as seen in popular Korean films K dramas and K pop The authors note that feminine language and behaviour are not limited to women as seen by the practice of aegyo or acting cute within Korean boy bands and they describe the tensions between gender hierarchy and socioeconomic status as seen in the powerful and elegant samonim ladies of K drama This book will be informative for those studying and researching in the fields of Asian studies cultural studies linguistics and East Asian languages particularly those analysing how society and gender have an impact upon language

Korean War Filmography Robert J. Lentz, 2016-05-01 The Korean experience changed the way Americans viewed war The lack of a clear cut victory inspired filmmakers to try to make sense of fighting another country s civil war and risking American lives for an unpopular cause This filmography details more than 90 English language films Each entry includes complete cast and credit listings a plot synopsis evaluation review snippets and notice of video availability This book places each film in its historical context assesses the essential truthfulness of each film and evaluates its entertainment value and discusses how and why Korean War films differ from other Hollywood war genres Four appendices list the films by chronology production company and studio level of historical accuracy and subject and theme Additional appendices list films with incidental references to the Korean War documentaries on the Korean War and South Korean films about the war Photographs a bibliography and an index are included

The Paleolithic Paradigm Terry Stocker, 2009-12 The Paleolithic Paradigm takes us one step further in the nature nurture debate Certainly a certain percentage of our behaviors are biologically based However culture has the power to override much in genetic commands The Amish exemplify this no matter how much we qualify them as quaint Painting with a wide post modern paint brush Stocker takes on a journey through four cultures to show how different people can be He offers the analogy our genetic structure is the framework of any house How we cover and decorate that frame is often the product of ancient traditions However we are all products of the same cognitive processes thus explaining why we take ideas put into our heads as children to the grave whether we accept them reject them or alter them It is this commonality the author examines Accordingly he wants to know if we understand our cognition processes can we change out behavior at will

Get the Picture John Godfrey Morris, John G. Morris, 2002-06-15 How do photojournalists get the pictures that bring us the action from the world s most dangerous places How do picture editors decide which photos to scrap and which to feature on the front page Find out in Get the Picture a personal history of fifty years of photojournalism by one of the top journalists of the twentieth century John G Morris brought us many of the images

that defined our era from photos of the London air raids and the D Day landing during World War II to the assassination of Robert Kennedy He tells us the inside stories behind dozens of famous pictures like these which are reproduced in this book and provides intimate and revealing portraits of the men and women who shot them including Robert Capa Henri Cartier Bresson and W Eugene Smith A firm believer in the power of images to educate and persuade Morris nevertheless warns of the tremendous threats posed to photojournalists today by increasingly chaotic wars and the growing commercialism in publishing the siren song of money that leads editors to seek pictures that sell copies rather than those that can change the way we see the world *Expanding Ecological Approaches to Language, Culture, and Identity* Jaran Shin, 2023-12-22 This book explores the process of identity re construction among mixed heritage children within the context of globalization through the lens of its intersection with Korean society The volume illustrates how these multicultural children mediate hybrid social spaces and examines their personal approaches toward translating resisting and transforming the entanglements engendered in those spaces By tracing the trajectories of their identity re formations over several years the book details the paths these youths have taken to navigate diverse contact zones and cope with institutional regulatory mechanisms It highlights that in the face of prevailing social stigma they actively involve themselves in political action in their day to day lives they redefine what it means to be Korean and but multicultural challenge simplistic membership boundaries and develop unique strategies to resist and subsist These efforts to question the essentialist logic of authenticity demonstrate that these youths situated at the convergence of globalization migration inequality and political power represent a challenge to both national and global orders Arguing that ecological perspectives need to direct greater attention toward the political as well as the posthumanist dimensions of language culture and identity this book is key reading for scholars in applied linguistics intercultural communication and Asian studies *Realisms in East Asian Performance* Jessica Nakamura, Katherine Saltzman-Li, 2023-10-04 Existing scholarly discussions of theatrical realism have been predominantly limited to 19th century European and Russian theater with little attention paid to wider explorations and alternative definitions of the practice Examining theater forms and artists from China Japan and Korea *Realisms in East Asian Performance* brings together a group of theater historians to reconsider realism through the performing arts of East Asia The book s contributors emphasize trans regional conversations and activate inter Asian dialogues on theatrical production Tracing historical trajectories starting from premodern periods through today the book seeks to understand realisms multiple origins forms and cultural significances and examines their continuities disruptions and divergences In its diversity of topics geographic locations and time periods *Realisms in East Asian Performance* aims to globalize and de center the dominant narratives surrounding realism in theater and revise assumptions about the spectacular and theatrical forms of Asian performance Understanding realism as a powerful representational style chapters collectively reevaluate acts of representation on stage not just for East Asia but for theater and performance studies more broadly *Korean Report* , 1965
