J. Willhite, 2010-03-22 In 1988 I wrote a book called *Why Pray* which went through six printings by Creation House and one by the author That book was written because I knew I had something to say to the prayers of America I have over the past fifty years of ministry read scores of books on the subject of prayer Most of them dealt with some rather fundamental issues but none seemed to answer the questions I had regarding this matter I wanted to know why God who has all power a plan and a will would need us to pray I had read early in my life with God a statement attributed to John Wesley in which he said God does nothing but in answer to prayer He did not explain the statement but he sure caused me to think If God does nothing but in answer to prayer then prayer must be one of the most important things a Christian can do I believed the statement but did not understand it and Wesley did not explain himself Later I came to believe the following God who is sovereign certainly has the power to do anything He wills to do whether anyone prays or not however I can say from a careful study of the Word and a thorough examination of life s experiences as a rule God does nothing but in answer to prayer THE LAW OF PRAYER is a

follow up of Why Pray I have included in it some of the same material with several new chapters a new cover forward and updated illustrations David Shibley will write the forward Other recommendations will come from Bishop Ken Ulmer of Los Angeles CA Pastor Steve Dixon Jack Hayford and Mike Bickel My Purpose in writing this Is to instruct encourage and inspire God s children to pray by convincing them that He will hear their prayer as quickly as He will hear the prayer of anyone Is to share the truth that God our Father desires to have a relationship with each of His children and has made a way for this to happen His door is never closed and all are invited to come in for a chat Is to communicate a few more things I have learned to the thousands who read Why Pray Last but not least I want to obey my Father

Discovering A Better Way To Pray DeForest Augustus,2020-06-15 Prayer Is the most exciting and most misunderstood aspect of human experience Learning the power of prayer can open heaven on earth most people say it as cliché but prayer is powerful when you understand and use it in the proper way Prayer simply put is relationship and communion with God Most of us were never taught how to pray we always just thought it was talking to God Yes prayer is talking to God bringing God back the promises he has already promised us Learning the scriptures to learn Gods will for your life is vital to build a strong prayer life Steps to answered prayer breaks down the steps to pray effectively it s not a punch of prayers to remember Its teaching you to pray your self and get your prayers answered The only thing the disciples asked Jesus to do was to teach them how to pray After years in my own life of struggling with praying wondering if God heard my prayers lead me to ask God to teach me and i began to study the scriptures along with the principles I found that it was a better way to pray and that all answers to our prayer is not simply God answering us God has given us authority to move mountains learning to pray with authority is a key to most of the problems we pray about God is concerned with every little aspect of your life and he wants to give you all the things you want in your life according to his will Your prayer life will grow when you pray according to
