A Most Peculiar Circumstance (Book #2) Jen Turano,2013-06-01 Delightful Blend of Love and Laughter in Turano s Sophomore Novel Miss Arabella Beckett has one driving passion to help the downtrodden women of America Naturally she supports the women s suffrage movement and eagerly attends rallies and lectures across the country On her travels she makes a simple offer of assistance to a young woman in need that goes sadly awry and lands both ladies in more trouble than they can manage An independent sort Arabella is loath to admit she needs help and certainly doesn t need help from an arrogant narrow minded knight in shining armor Mr Theodore Wilder private investigator extraordinaire is on a mission A mission that began as a favor to his good friend Hamilton Beckett but swiftly evolved into a merry chase across the country By the time he finally tracks down Hamilton s sister Arabella he is in a less than pleasant mood When the lady turns out to have radical ideas and a fiercely independent streak he soon finds himself at his wit s end When they return home to New York circumstances force their paths to continue to cross but the most peculiar feelings growing between them certainly can t be love When the trouble Arabella had accidentally stirred up seems to have followed her to New York and threatens her very life the unlikely couple must face the possibility that they might have landed in the most peculiar circumstance of all love

A Most Peculiar Book Kristin M. Swenson,2021 The Bible we are constantly reminded is the best selling book of all time It is read with intense devotion by hundreds of millions of people stands as the authoritative text for Judaism and Christianity and informs and affects the politics and lives of the religious and non religious around the world But how well do we really know it The Bible is so familiar so ubiquitous that we have begun to take our knowledge of it for granted The Bible we think we know is a pale imitation of the real thing In *The Misunderstood Bible* Kristin M Swenson addresses the dirty little secret of biblical studies that the Bible is a weird book It is full of surprises and contradictions unexplained impossibilities terrifying supernatural creatures and heroes doing horrible deeds It is far from a systematic worldview Still Swenson notices a tendency of readers to reduce the complexities of the Bible to aphorisms bumper stickers and slogans But taken as a collection of ancient stories and poetry written by multiple authors held together by the tenuous string of tradition the Bible often undermines our modern assumptions What does it mean to be unclean Who really killed Goliath Does Jesus condemn nonbelievers to Hell Rather than dismiss the Bible as an outlandish or irrelevant relic of antiquity Swenson leans into the messiness full throttle guiding her readers through a Bible that will to many feel brand new Making ample room for discomfort wonder and weirdness *The Misunderstood Bible* is an admirable response to the Bible s current status quo
