The Essential Táin Bó Cúailnge and Other Stories from the Ulster Cycle Matthieu Boyd, 2025-09-04 T in B C ailnge frequently referred to as the T in is one of the most important works of medieval Irish literature and has been called the national epic of Ireland This new judiciously abridged translation of the T in renders the text in an approachable colloquial style that nevertheless maintains enough accuracy to support close reading

This edition also contextualizes the T in itself with numerous selections from the rest of the so called Ulster Cycle the related body of legends about the characters of the T in including accounts of their origins and their deaths Also included are a full introduction extensive footnotes drawing on the most recent scholarship on the T in that provide clarifications explanations and background information four maps showing the sites of major events in the epic and a series of character trees to help readers keep track of the T in s large cast of characters and their often complex interrelationships among other valuable resources
