## **A Student Handbook Of Greek And English Grammar:**

A Student Handbook of Greek and English Grammar Robert Mondy, Peter L. Corrigan, 2013-09-15 The study of classical languages by earlier generations of English speaking students was greatly facilitated by the study of English grammar in the schools a tradition now out of favor but one that emphasized precisely the concepts terms and constructions needed for the study of Greek and Latin Recent classical language textbooks while presuming little or no grammatical sophistication on the part of their students often provide little more by way of remediation than definitions of grammatical terminology A Student Handbook of Greek and English Grammar offers a student friendly comparative exposition of English and ancient Greek grammatical principles that will prove a valuable supplement to a wide range of beginning Greek textbooks as well as a handy reference for those continuing on to upper level courses
