

The background of the book cover is a dramatic illustration. It depicts the Titan Prometheus, a figure with a muscular, reddish-brown body, being punished by an eagle. Prometheus is shown from the waist up, his torso twisted as he is chained by his right hand to a jagged rock. His left arm is extended, holding a torch aloft. The eagle, with grey and white feathers and a large, hooked beak, is perched on his right arm, its head turned back to look at its prey. The scene is set against a bright yellow sky with stylized, radiating lines suggesting a sunset or sunrise. The overall style is reminiscent of classical Greek art, with strong contrasts and a focus on the physical form.
