A Change Is Gonna Come

I was born by the river
In a little tent
Oh, and just like the river,
I've been runnin'
Ever since

It's been a long
A long time comin', but I know
A change gon' come
Oh, yes it will

It's been too hard livin'
But I'm afraid to die
'Cause I don't know what's up there
Beyond the sky

It's been a long
A long time comin', but I know
A change gon' come
Oh, yes it will

A Change is Gonna Come Brian F. Harrison, 2020 As kids we were told to avoid talking about politics in polite company However the conventional wisdom no longer applies we need to find a way to talk to each other about American politics even with those and especially those with whom we disagree While we've hashed and re hashed bitter political disagreements we have paid less attention to concrete actionable ways to better understand each other While it's true that on average public opinion doesn't change quickly it does change a prime example is how people think and feel about LGBTQ rights which saw a meteoric change over the last few decades Drawing on diverse areas of social research this book identifies and explains where conversations fail and how we can start to dig out of our opinion silos to make reasonable changes in everyday interpersonal political conversations
