A Simplified Harmony of the Gospels Steve Wooten, 2024-12-10 This guide attempts to achieve two goals First all the events in the four Gospels are listed in chronological order similar to that in *A Layman's Harmony of the Gospels* by John Franklin Carter 1961 Broadman Press Since some of the authors of the four gospels did not always narrate events chronologically this author has rearranged the material in parallel columns so the reader can more easily compare the accounts with one another The second goal is that if an event is described in more than one gospel the scriptures will be placed in parallel columns with the corresponding verses from each gospel on the same line If the event is mentioned in only one gospel a one line entry will be made describing that event with the corresponding reference
