Leonardo Da Vinci, the Last Supper Michael Ladwein, 2006 Many great works of art have been created that we call Christian but none has received as much acclaim as Leonardo da Vinci's Last Supper Art lovers venerate it for its composition and noble aesthetics whereas for Christians it epitomizes the intimacy between Christ and his disciples In recent years following the publication of bestselling fictional narratives and dubious historical studies The Last Supper has also become the focus of intrigue controversy speculation and sensation Recent restoration of the painting has exposed remnants of the original work and removed falsifications created by over painting Thus for the first time since its creation more than five hundred years ago we can contemplate Da Vinci's masterpiece in its more or less original form This lavishly illustrated full color book reproduces many details of the restored work and the author turns our attention to newly revealed aspects of The Last Supper that lead to fresh interpretations The philosopher Rudolf Steiner called The Last Supper the world's most important work of art adding that it revealed the meaning of Earth existence Michael Ladwein sheds light on many aspects of the spiritual facts that can be uncovered in this immortal painting one that has lost nothing of its urgency in our modern world
