Idle Apprentices Philip Rawlings,2005-10-24 A fascinating collection of eighteenth century biographies of street robbers pickpockets burglars horse thieves and confidence tricksters Background historical information and footnotes are provided

Whores and Highwaymen Gregory J. Durston,2012-11-19 The whores and highwaymen of Gregory Durston s title are just some of the dubious characters met within this absorbing work including thief takers trading justices an upstart legal profession whose lower orders developed various ways to line their own pockets and magistrates and clerks who often preferred dealing with those cases which attracted fees The book shows how little was planned by government or the authorities and how much sprang up due to the efforts of individuals so that the origins of social control particularly at a local level had much to do with personal ideas of morality class boundaries and perceived threats serious and otherwise Based on news reports Old Bailey and local archives and other solid records the book weaves a compelling picture of a critical time in English history through the voices of contemporary observers as well as the best of writings by experts ever since At its broadest point the book spans the period from the Glorious Revolution to the early 1820s It falls into three parts Crime and the Metropolis including Metropolitan crime attitudes to crime and policing explanations for crime and criminal law and procedure Policing including policing the metropolis constables the watch beadle the role of the military and the detection of crime Justice including the magistracy and its work ways of prosecution trial in the lower and higher courts and the penal regimes of the day A colourful account which captures the essence of the period

The Affecting Case of the Unfortunate Thomas Daniels, Who Was Tried at the Sessions Held at the Old Bailey, September, 1761, for the Supposed Murder of His Wife Impartial Hand,2018-04-24 The 18th century was a wealth of knowledge exploration and rapidly growing technology and expanding record keeping made possible by advances in the printing press In its determination to preserve the century of revolution Gale initiated a revolution of its own digitization of epic proportions to preserve these invaluable works in the largest archive of its kind Now for the first time these high quality digital copies of original 18th century manuscripts are available in print making them highly accessible to libraries undergraduate students and independent scholars Delve into what it was like to live during the eighteenth century by reading the first hand accounts of everyday people including city dwellers and farmers businessmen and bankers artisans and merchants artists and their patrons politicians and their constituents Original texts make the American French and Industrial revolutions vividly contemporary The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to insure edition identification British Library T025535 With a half title and a second preliminary leaf containing a witnessed statement by Daniels signed W Alexander Vertical chain lines London printed for E Cabe 1761 4 24p 4

The Monthly Review Or Literary Journal Enlarged ,1762 **The Monthly Review, Or, Literary Journal** ,1762 **Monthly Review; Or Literary Journal Enlarged** Ralph Griffiths,George Edward Griffiths,1762 Editors May 1749 Sept 1803 Ralph Griffiths Oct 1803 Apr 1825 G E Griffiths

The Women of the Laboring Poor

Patricia S. Seleski,1989 The Monthly Review Ralph Griffiths,George Edward Griffiths,1762 *Labyrinth of Digressions*
René Bosch,Piet Verhoeff,2007 With their appearance during the 1760s the five instalments of Laurence Sterne s *The Life and Opinions of Tristram Shandy Gentleman* caused something like a booksellers hype Small publishers and anonymous imitators seized on Sterne s success by bringing out great numbers of spurious new volumes critical or ironic pamphlets and works that in style and title express a congeniality with *Tristram Shandy* This study explores these eighteenth century imitations as indicators of contemporary assumptions about Sterne s intentions Comparisons between the original the first reactions and a number of late eighteenth century imitations show that *Tristram Shandy* was initially read against the background of Augustan and Grub street satire The earliest imitators harked back to traditions of banter and folklore bawdy and grotesque humour pathetic stories and orthodox religiosity reaffirming a pattern of moral and aesthetic values that was conservative for its time Philosophical Sentimentalism appears to have been a late development It is also argued that partly because of their bad reputation some of the authors of forgeries and parodies had a greater influence on the original than the reviewers to whom Sterne is often said to have listened The imitators followed leads and themes in the first instalments developing them according to their own conception of Sterne s project and the reasons for his success As a consequence they unintentionally put a pressure on Sterne to alter his course and even to abandon some of the narrative lines and themes he had set out for himself The literature section contains a chronological checklist of English eighteenth century Sterneana The Affecting Case of the Unfortunate Thomas Daniels Thomas Daniels,2015-08-04 Excerpt from *The Affecting Case of the Unfortunate Thomas Daniels Who Was Tried at the Sessions Held at the Old Bailey September 1761 for the Supposed Murder of His Wife* But when a person in one of the lowest classes of mankind by a fatal accident appears before a court of justice with apparent evidences of guilt sufficient to influence a jury of his impartial countrymen to sentence him to the most severe penalty the law can inflict when this man meers from the advantage of a good character in the narrow circle of his acquaintance and from a re examination into the probability of the fact for which he was condemned shall have the inferences drawn from the depositions on his trial totally invalidated so that the sentence passed on him is freely remitted it is such a sanction of his innocence that it would be cruel and unjust in particulars afterward to retain any suspicions injurious to him It ought to be principally attended to in this affair that his Majesty whose regal virtues are so generally known and acknowledged cannot appear in a more amiable view than in the attention with which he is said to have endeavoured to discover the merits of the intercession made for this poor convict An instance which as it may be deemed too trivial to engage any particular share of princely consideration yet is certainly one of the truly parental duties of a Monarch and will endear him in the hearts of many of his useful subjects who are beneath caring for the retention of Guadalupe or Canada And it is doing justice to the poor fellow to own that he seems to retain a grateful if not a politely expressed sensibility of the great obligation he owes to the royal parent of this his second period of existence About the Publisher Forgotten Books

publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Affecting Case of the Unfortunate Thomas Daniels Thomas Daniels,2014-06-26 This collection of literature attempts to compile many of the classic timeless works that have stood the test of time and offer them at a reduced affordable price in an attractive volume so that everyone can enjoy them *The Reform of Punishment and the Criminal Justice System in England and Wales from the Late Seventeenth Century to the Early Nineteenth Century* Philip Rawlings,1994 *THE MONTHLY REVIEW, OR LITERARY JOURNAL* SEVERAL HANDS,1762
