drug related scenes and the result may be more fiction than fact So how can you craft a convincing scene involving accidental use of fentanyl tainted pot or a murder attempt with grandma s pain pills A much needed resource The Grim Reader details how to write medical scenarios that result in realistic page turners As drug inaccuracies multiply in screenplays scripts novels and audio plays Dr Miffie Seideman Pharm D provides writers and editors with the background and authenticity necessary to develop plausible plotlines including Pertinent drug facts tips and symptoms Symptom timelines Tips for developing historically accurate scenes Common street drug names and slang Sample scenarios to demonstrate how to weave the information into a believable scene Writing prompts to provide scene starters and offer practice Combining Seideman s pharmacology knowledge with her love for creative writing The Grim Reader is the ultimate guide to help authors craft accurate drug scenes and avoid medical mistakes **From Street-smart to Web-wise®** Al Marcella, Brian Moore, Madeline Parisi, 2024-12-27 Book 2 continues as the tiny fingers in Book 1 Grades K 2 grow and become more familiar with online activities The critical job of ensuring our children s safety expands as students become more independent and begin to have greater online autonomy From Street smart to Web wise A Cyber Safety Training Manual Built for Teachers and Designed for Children isn t just another book it s a passionate call to action for teachers a roadmap to navigate the digital landscape safely with confidence and care Written by authors who are recognized experts in their respective fields this accessible manual is a timely resource for educators Dive into engaging content that illuminates the importance of cyber safety not only in our classrooms but extending into the global community Each chapter is filled with practical examples stimulating discussion points and ready to use lesson plans tailored for students in third and fourth grades Regardless of your technology skill level this book will provide you with the guidance and the tools you need to make student cyber safety awareness practical fun and impactful As parents partner with educators to create cyber secure spaces this book stands as a framework of commitment to that partnership It s a testament to taking proactive steps in equipping our young learners with the awareness and skills they need to tread the digital world securely By choosing From Street smart to Web wise A Cyber Safety Training Manual Built for Teachers and Designed for Children you position yourself at the forefront of educational guardianship championing a future where our children can explore learn and grow online without fear Join us on this journey to empower the next generation one click at a time **Disastrous Science** Peter Apps, 2014-09-28 P margin bottom 0 21cm As the title suggests the stories in this compilation deals with events when science hits back Disasters through complacency nuclear war through losing control of events or just an experiment going wrong all give science or rather nature a chance to show just how far we have to go Fracture Point deals with the consequences of our dependence on electricity in general and automated systems in particular It dominates the book at 50 000 words especially since Leave Em Laughing allows you to put the book down with a smile on your face at just 215 words The Rising Moon Disaster Time Done and Gods and Demons are more conventional short stories Rising Moon is a space ship on its maiden

flight to the moon while in Time Done a careless time traveller risks unravelling his future world Gods and Demons deals with the consequences as events impinge on a society scarcely able to comprehend the outside world The cause of a war is dealt with in what else World War III but it is another ultra short story though I did cheat As you read it imagine that you are hearing it on the radio The styles vary I hope the tales interest so enjoy a mixed bag of tales about where science can lead us

Solo2Darwin Amanda Harrison,2024-07-31 Inspired by past aviation pioneers Amanda Harrison flew her vintage Tiger Moth from Biggin Hill to Darwin Australia in 20 days overcoming weather challenges engine failures and dangerous terrains all while recovering from cancer Whilst learning to fly Amanda Harrison discovered a beautiful vintage Tiger Moth After researching the amazing pioneers who flew this fragile aircraft a spark was ignited and Amanda dreamed of emulating their adventures On 11th May 2019 she made that dream a reality taking off from Biggin Hill with the aim of flying to Darwin Australia in 20 days just as her idol Amy Johnson had done in 1930 Solo2Darwin documents one woman s exhilarating journey across the world Indeed the launch of her biplane Solo2Darwin received extensive press coverage including print features in The Times and The Telegraph and TV footage broadcasted on ITV and Channel 5 News respectively Faced with adversity navigating through torturous mountain ranges covered in cloud across seas dodging thunderstorms and surviving engine failures Amanda s route had plenty of highs lows and drama Alongside this she also experienced the difficulties of solo flying a biplane and having to navigate dangerous regions across the world What makes Amanda s expedition even more remarkable is that this was all undertaken whilst recovering from cancer So strap in and prepare to go on a journey of a lifetime Twelve countries 2 600 miles 46 flying hours two engine failures one airplane one female pilot all equals one amazing adventure

How to Overcome Digital Distraction Swami Vireshananda, Today human beings are living more in the parallel world known as the Digital World or the Virtual World This computer based online community environment has no doubt its incredible benefits and advantages not even dreamt of by our preceding generations At the same time it has also the frightening potential to make human beings mentally sick and isolated and suppress all those healthy elements which make human beings human Today it is a fact that this digital or virtual world is something which cannot be done away with This being so the only option left to us is to develop the art or skill of using it intelligently without endangering the mental and physical well being of the individual and the society How to handle this digital distraction caused by digital slavery is the focus of this book the importance of which doesn t need to be emphasised The book endeavours to address this important issue from various angles through articles written by experts and thinkers from various backgrounds Published by Advaita Ashrama a branch of Ramakrishna Math Belur Math India
