A Speculators Mind Psychology Of A Commodities Trader:

A Maniac Commodity Trader's Guide To Making A Fortune Kevin Kerr,2007-03-23 If you are looking for a strong point of view that boosts the optimists side of commodities trading this is it But Kevin Kerr s assurance that you can make money by trading commodities does not take into account the real risks involved and could mislead potential traders The truth is that the odds are stacked strongly against any investor particularly in the now nearly extinct open outcry pit trading that Kerr discusses at length However his rundown of the basic facts about the commodities markets will give you a start in learning about this arcane investment science getAbstract suggests that it may fit in as one among many texts you might want to study before jumping into the pit
