

# Challenging Transition Theory: The Labor Movement, Radical Reform, and Transition to Democracy in South Africa

GLENN ADLER and EDDIE WEBSTER

## INTRODUCTION

The truly remarkable nature of South Africa's transition was captured in the election and the inauguration of Nelson Mandela as the new president during the last week of April and the first week of May 1994. Contrary to widespread expectations of violence descending into chaos, the three voting days were among the most peaceful in the country's recent history. Whites and Blacks queued for hours—indeed days in some cases—to cast their votes. For South Africans, it became a deeply emotional experience, with the overwhelming majority of eligible voters participating in this first-ever democratic election. The atmosphere of euphoria carried through into the following week of national celebrations, culminating in an all-day gathering outside the former seat of White political domination, the Union Buildings in Pretoria. Music and dancing provided by South Africa's best entertainers continued well into the night, and similar scenes of jubilation were repeated throughout the country.

However, the ambiguous character of this astonishing climax to South Africa's transition to democracy was clearest when Mandela stepped from his automobile to be ushered to the inaugural platform by none other than the White general

---

We thank Erik Olin Wright for his extremely valuable comments on two earlier drafts of this article which helped us specify our model, and for his computer skills in generating the figures contained in the article. We also thank Lorie Karvonen for his useful comments as discussant on our article at the International Sociological Association meeting in Bielefeld, Germany, in July 1994. We acknowledge John Saul for sharing his work on unions and transitions in South Africa and for very constructive discussions, which helped clarify our argument.

# A Theory Of The Labor Movement

**Jeffrey W. Coker**

## **A Theory Of The Labor Movement:**

**Theories of the Labor Movement** Simeon Larson, Bruce Nissen, 1987 A collection of readings respecting both the history a labor theories and the variety of theoretical points of view concerning the labor movement Respecting both the history a labor theories and the variety of theoretical points of view concerning the labor movement this collection of readings includes selections by Karl Marx V I Lenin William Haywood Georges Sorel Stanley Aronowitz John R Commons Sidney and Beatrice Webb Thorstein Veblen Henry Simons and John Kenneth Galbraith among others Intending this as a text for classroom use Larson and Nissen have arranged the readings according to the social role assigned to the labor movement by each theory The text s major divisions consider the labor movement as an agent of revolution as a business institution as an agent of industrial reform as a psychological reaction to industrialism as a moral force as a destructive monopoly and as a subordinate mechanism in pluralist industrial society Such groupings allow for ready comparison of divergent views of the origins development and future of the labor movement

**A Theory of the Labor Movement** Selig Perlman, 1928 *A Theory of the Labor Movement* Selig Perlman, 1949 History of the Labor Movement in the United States Philip Sheldon Foner, 1988-03 Labor and the Red Scare Seattle and Winnipeg general strikes Boston telephone and police strikes Streetcar strikes in Chicago Denver Knoxville Kansas City strikes in clothing textile coal and steel The open shop drive Strikes and Black white relationships the AFL and the Black worker the IWW Communist Party founded Political action 1918 1920

**The Role of Labor Unions in the United States** United States. Department of Labor. Library, Elizabeth K. Van Staaveren, 1978

**The Rise of the National Trade Union** Lloyd Ulman, 1966 Comprehensive study of the trade union movement in the USA covers historical and environmental factors in the development of national level union policy in respect of labour relations working conditions wage policy strike control etc and includes administrative aspects of trade unions economic implications of their jurisdiction theoretics of the labour movement etc References Rethinking the American Labor Movement Elizabeth Faue, 2017-04-28 Rethinking the American Labor Movement tells the story of the various groups and incidents that make up what we think of as the labor movement While the efforts of the American labor force towards greater wealth parity have been rife with contention the struggle has embraced a broad vision of a more equitable distribution of the nation s wealth and a desire for workers to have greater control over their own lives In this succinct and authoritative volume Elizabeth Faue reconsiders the varied strains of the labor movement situating them within the context of rapidly transforming twentieth century American society to show how these efforts have formed a political and social movement that has shaped the trajectory of American life Rethinking the American Labor Movement is indispensable reading for scholars and students interested in American labor in the twentieth century and in the interplay between labor wealth and power

**State-making and Labor Movements** Gerald Friedman, 1998 This study of the evolution of labour movements in the US and France from 1876 to 1914 illuminates the turn to syndicalism in France and craft unionism in the

USA and the impact each form of unionization had on the shaping of the French and the US states      *Law and the Shaping of the American Labor Movement* William E. Forbath, 2009-07-01 Why did American workers unlike their European counterparts fail to forge a class based movement to pursue broad social reform Was it simply that they lacked class consciousness and were more interested in personal mobility In a richly detailed survey of labor law and labor history William Forbath challenges this notion of American individualism In fact he argues the nineteenth century American labor movement was much like Europe s labor movements in its social and political outlook but in the decades around the turn of the century the prevailing attitude of American trade unionists changed Forbath shows that over time struggles with the courts and the legal order were crucial to reshaping labor s outlook driving the labor movement to temper its radical goals

*The Formation of Labour Movements, 1870-1914* Marcel van der Linden, Jürgen Rojahn, 1990 The twenty seven articles presented in this volume mark the first stage of an international research project set up after the comprehensive reorganization of the International Institute of Social History in 1987 The aim of this extensive book project is to study the development of working class movements using comparative research in an international framework in the time period 1870 1914 Included in this study are papers by experts on as many countries both European and non European as possible with a modern labour movement Britain Belgium The Netherlands Sweden Norway Denmark France Italy Spain Germany Switzerland Austria The Czech Workers Movement in the Habsburg Empire Hungary Rumania Bulgaria Serbia Greece The Jewish Workers Movement in the Russian Empire Poland Finland United States of America Australia New Zealand South Africa Argentina and Japan      **Monthly Labor Review** , 1981 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews      **The Future of the American Labor Movement** Hoyt N. Wheeler, 2002-09-16 Publisher Description      **Confronting American Labor** Jeffrey W. Coker, 2002 Confronting American Labor traces the development of the American left from the Depression era through the Cold War by examining four representative intellectuals who grappled with the difficult question of labor s role in society Since the time of Marx leftists have raised over and over the question of how an intelligentsia might participate in a movement carried out by the working class Their modus operandi was to champion those who suffered injustice at the hands of the powerful From the late nineteenth through much of the twentieth century this meant a focus on the industrial worker The Great Depression was a time of remarkable consensus among leftist intellectuals who often interpreted worker militancy as the harbinger of impending radical change While most Americans waited out the crisis listening to the assurances of President Franklin D Roosevelt the Marxian left was convinced that the crisis was systemic Intellectuals who came of age during the Depression developed the view that the labor movement in America was to be the organizing base for a proletariat Moreover many came from working class backgrounds that contributed to their support of labor      **Rekindling the Movement** Lowell Turner, Harry C. Katz, Richard W. Hurd, 2018-05-31 From gloomy times in the 1980s the American labor movement has

returned to apparent prominence through the efforts of a new generation of energetic and progressive leaders A distinguished group of authors examines this resurgence and the potential of American unions with sympathetic yet critical eyes Experts from a wide variety of disciplines industrial relations political science economics and sociology identify the central developments analyze the strengths and weaknesses of the new initiatives and assess the progress made and the prospects for the future Though all agree on the importance of unions their opinions of the success of current renewal efforts diverge greatly The interdisciplinary and comparative approach of *Rekindling the Movement* is both challenging and enlightening Rather than merely trumpeting pet opinions contributors provide hard evidence and causal analysis grounded in realistic perspectives to back up suggestions for the improvement of the new labor movement Their straightforward observations about what is and is not possible what does and does not work will be of great practical value for policymakers and union leaders

*Labor Markets in a Global Economy: A Macroeconomic Perspective* Ingrid H. Rima, 2015-05-20 This introductory text on labour economics covers topics such as the shift in America from a manufacturing based economy to a service economy the changes in the economic conditions in the US the implications of NAFTA and GATT and the labour markets

*Bulletin of the United States Bureau of Labor Statistics*, 1913

*The Origins of the French Labor Movement* Bernard H. Moss, 2024-06-14 Many historians have examined the French labor movement but few have gone beyond chronicling unions strikes and personalities to undertake a concrete analysis of workers aims in their historical context Searching for what Marx called the real movement of the working class Bernard H Moss presents a sophisticated revisionist interpretation that uncovers a core ideology of social vision underlying the many changes and variations in French socialism To define this ideology and delineate its social base Moss cuts through conventional distinctions between artisans and proletarians and between anarchism and socialism to derive an intermediate category the federalist trade socialism of skilled workers Originally manifested in the trade movement for producers associations and cooperatives this socialism eventually found revolutionary expression in Bakuninism possibilism Allemanism and revolutionary syndicalism The social base of this movement was the skilled craftsmen undergoing a process of proletarianization In *The Origins of the French Labor Movement* Moss rehabilitates ideology both as a vital force in history and as a serious subject for scientific history He proposes important revisions in our understanding of French politics and society in the nineteenth century and suggests a new approach to socialist ideology not as abstract theory but as the result of historical experience and process This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1976

*Industrial Peacemaker* Edward B. Shils, Walter J. Gershenfeld, Bernard Ingrster, William M. Weinberg, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015

the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas     *The Origins of the French Labor Movement, 1830-1914* Bernard H. Moss,1980-01-01  
Monograph based on a thesis dealing with the history of the labour movement in France discusses socialism and collectivism of skilled workers treats the formation of the first French socialist political party parti ouvrier discusses the emergence of trade unions and includes a literature survey Annotated bibliography pp 201 to 210 and references     Theories of Trade Unionism Michael Poole,2021-06-23 First published in 1981 Theories of Trade Unionism traces the development of trade union theory from its nineteenth century foundations to the more advanced conceptual models present at the time of original publication The book surveys the main tributaries of modern approaches the moral and ethical the revolutionary the defensive or conservative and the economic and political and analyses the work of contemporary industrial relations scholars This includes the main types and varieties of systems theory the disparate pluralist approaches and the radical school The book identifies links between the differing premises of the various schools of thought and combines the main perspectives in a higher analytical and conceptual unity It concludes with a discussion of a number of avenues for theoretical and conceptual progress Theories of Trade Unionism is ideal for those with an interest in the history of trade union theory

### **A Theory Of The Labor Movement Introduction**

In today's digital age, the availability of A Theory Of The Labor Movement books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of A Theory Of The Labor Movement books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of A Theory Of The Labor Movement books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing A Theory Of The Labor Movement versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, A Theory Of The Labor Movement books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing A Theory Of The Labor Movement books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for A Theory Of The Labor Movement books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, A Theory Of The Labor Movement books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of A Theory Of The Labor Movement books and manuals for download and embark on your journey of knowledge?

### FAQs About A Theory Of The Labor Movement Books

1. Where can I buy A Theory Of The Labor Movement books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a A Theory Of The Labor Movement book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
