A Vast Amount Of Trouble A History Of The Spring Creek Raid:

A Vast Amount of Trouble ,1993 *The Blackwater Fire and the Men Who Fought It* Karl Brauneis,2024-11-13 At 3 30 p m on August 21 1937 the Blackwater Fire blew up west of Cody Wyoming on the Shoshone National Forest Fifteen firefighters perish in the conflagration and more than forty are injured Travel back in time to the horse and mule days of a frontier state and engage a forest fire in the rugged Absaroka Mountains Gain the upper hand then see it all go so terribly wrong in a matter of seconds How do we as individuals and organizations respond to disaster when tragedy strikes Do we investigate to study and draw conclusions Do we analyze the situation and file a report to be forgotten Is that enough Or do we say No There has to be more There must be a new beginning The fallen cry out for it Soon young men will parachute from airplanes to hang up in trees and attack forest fires before they become the next tragedy They will call themselves smokejumpers and they will be the first to get there and they will carry the Blackwater with them in the crack of silk as they jump the big sky over our western forests **American Cowboy** ,1994-05 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage American Cowboy immerses readers in the cowboy life and the magic that is the great American West **The Trial of Tom Horn** John W. Davis,2016-03-31 For weeks in 1902 it commanded headlines All of Wyoming and much of the West followed the trial of Tom Horn for the murder of a fourteen year old boy John W Davis s book the only full length account of the trial places it in perspective as part of a larger struggle for control of Wyoming s grazing land Davis also portrays an enigmatic defendant who more than a century after his conviction and hanging perplexes us still Tom Horn was one of the most fascinating figures in the history of the West Employed as a Pinkerton and then as a range detective he had a reputation as a loner and a braggart with a brutal approach to law enforcement even before he was accused of murdering young Willie Nickell Cattlemen saw Horn as protecting their way of life but most people in Wyoming saw him as a hired assassin an instrument of oppression by cattle barons willing to use violent intimidation to protect their assets The story began on July 18 1901 when Willie Nickell was shot by a gunman lying in ambush the killer was apparently after Willie s father who had brought sheep into the area Six months later Tom Horn was arrested The trial pitted the Laramie County district attorney against a crack team of defense lawyers hired by big cattlemen Against all predictions the jury found Horn guilty of first degree murder Despite appeals that went all the way to the state supreme court and the governor Horn was hanged in Cheyenne in 1903 The trial and conviction of Tom Horn marked a major milestone in the hard fought battle against vigilantism in Wyoming Davis himself a trial lawyer has mined court documents and newspaper articles to dissect the trial strategies of the participating attorneys His detailed account illuminates a larger narrative of conflict between the power of wealth and the forces of law and order in the West *Goodbye, Judge Lynch* John
