American Politics A Very Short Introduction Very Short Introductions:

American Politics: A Very Short Introduction Richard M. Valelly, 2013-02-11 American politics seems to grow more contentious and complicated by the day and whether American democracy works well is hotly debated. Amidst all this roiling partisan argument and confusing claims and counterclaims there has never been a greater need for an impartial primer on the basics of the American political system. This Very Short Introduction gives readers a concise, accessible, and sophisticated overview of the vital elements of American democracy, emphasizing both how these elements function, their historical origins, and how they have evolved into their present forms. Richard Valelly covers all facets of America's political system: the bicameral Congress and the place of the filibuster, the legislative-executive process, the role of the Supreme Court, political parties and democratic choice, bureaucracy, the partisan revival, and the political economy. He offers, as well, an original analysis of the evolution of the American presidency and a fascinating chapter on the effects of public polling on political decision making and voter representation. Valelly shows that the American political system is and always has been very much a work in progress, unfolding within and also constantly updating an eighteenth-century constitutional framework. In a refreshingly balanced and judicious assessment, he explores the strengths of American democracy while candidly acknowledging both gaps in representation and the increasing income inequality that have sparked protest and intense public discussion. Finally, Valelly considers the remarkable persistence for more than two centuries of the basic constitutional forms established in 1787 despite the dramatic social changes that have reshaped virtually all aspects of American life. For anyone wishing to understand the nuts and bolts of how our political system works and sometimes fails to work, this Very Short Introduction is the very best place to start. About the Series: Oxford's Very Short Introductions series offers concise and original introductions to a wide range of subjects from Islam to Sociology, Politics to Classics, Literary Theory to History, and Archaeology to the Bible. Not simply a textbook of definitions, each volume in this series provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given discipline or field. Every Very Short Introduction gives a readable evolution of the subject in question, demonstrating how the subject has developed and how it has influenced society. Eventually, the series will encompass every major academic discipline, offering all students an accessible and abundant reference library. Whatever the area of study that one deems important or appealing, whatever the topic that fascinates the general reader, the Very Short Introductions series has a handy and affordable guide that will likely prove indispensable.

British Politics: A Very Short Introduction Anthony Wright, 2013-05-30 This book presents an introduction to the evolution and history of the British political system.

Politics: A Very Short Introduction Kenneth Minogue, 2000-02-24 In this introduction, Kenneth Minogue discusses the development of politics from the ancient world to the twentieth century. He considers the evolution of different systems, ideological aspects, and the future of political science.

British Politics: A Very Short Introduction Tony Wright, 2020-06-25 At a time when politics in Britain is experiencing

unprecedented turmoil this Very Short Introduction examines the past present and possible future of British politics Tony Wright puts current events into a longer and larger perspective ranging from political ideas to political institutions and offering an overview of the British political tradition Throughout he identifies key characteristics and ideas of British politics and investigates what makes it distinctive while emphasizing how these characteristics are reflected in the way the political system functions This new edition includes key material on Brexit analysing the divisions revealed by the Brexit vote and the extent to which Britain now has a politics of identity and considering whether the referendum itself has fundamentally altered the constitutional landscape ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Intellectual Property: A Very Short Introduction Siva Vaidhyanathan, 2017-02-09 We all create intellectual property We all use intellectual property Intellectual property is the most pervasive yet least understood way we regulate expression Despite its importance to so many aspects of the global economy and daily life intellectual property policy remains a confusing and arcane subject This engaging book clarifies both the basic terms and the major conflicts surrounding these fascinating areas of law offering a layman's introduction to copyright patents trademarks and other forms of knowledge falling under the purview of intellectual property rights Using vivid examples noted media expert Siva Vaidhyanathan illustrates the powers and limits of intellectual property distilling with grace and wit the complex tangle of laws policies and values governing the dissemination of ideas expressions inventions creativity and data collection in the modern world Vaidhyanathan explains that intellectual property exists as it does because powerful interests want it to exist The strongest economies in the world have a keen interest in embedding rigid methods of control and enforcement over emerging economies to preserve the huge economic interests linked to their copyright industries film music software and publishing For this reason the fight over the global standardization of intellectual property has become one of the most important sites of tension in North South global relations Through compelling case studies including those of Starbucks Coca Cola Sony Amazon and Google Books Vaidhyanathan shows that the modern intellectual property systems reflect three centuries of changes in politics economics technologies and social values Although it emerged from a desire to foster creativity while simultaneously protecting it intellectual property today has fundamentally shifted to a political dimension

The Vikings: A Very Short Introduction Julian D. Richards, 2005-09-08 The Viking reputation is of bloodthirsty seafaring warriors repeatedly plundering the British Isles and the North Atlantic throughout the early Middle Ages Yet Vikings were also traders settlers and farmers with a complex artistic and linguistic culture whose expansion overseas led them to cross the Atlantic for the first time in European history Highlighting the latest archaeological evidence Julian Richards reveals the whole Viking world their history society and culture and their expansion overseas for trade colonization and plunder We also

look at the Viking identity through their artistic expression rune stones their ships and their religion The Viking story is also brought up to date by examining their legacy from the medieval Icelandic sagas to 19th Century nationalism Wagner and the Nazis

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Planets: A Very Short Introduction David A. Rothery, 2010-11-25 This Very Short Introduction discusses the nature of planets and gas giants and their rings and moons It also looks beyond Pluto in the Kuiper Belt at the knowledge we have about planets around other stars With many striking photos to illustrate the details it demonstrates the unique world of every planet

African Politics: A Very Short Introduction Ian Taylor, 2018-09-20 Africa is a continent of 54 countries and over a billion people However despite the rich diversity of the African experience it is striking that continuations and themes seem to be reflected across the continent particularly south of the Sahara Questions of underdevelopment outside exploitation and misrule are characteristic of many if not most states in Sub Saharan Africa In this Very Short Introduction Ian Taylor explores how politics is practiced on the African continent considering the nature of the state in Sub Saharan Africa and why its state structures are generally weaker than elsewhere in the world Exploring the historical and contemporary factors which account for Africa s underdevelopment he also analyses why some African countries suffer from high levels of political violence while others are spared Unveiling the ways in which African state and society actually function beyond the formal institutional facade Taylor discusses how external factors both inherited and contemporary act upon the continent

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Ancient Greece: A Very Short Introduction Paul Cartledge, 2011-10-27 A highly stimulating Very Short Introduction to the history of Ancient Greek civilization from the first documented use of the Greek language in about 1400 BCE through the glories of the Classical and Hellenistic periods to the foundation of the Byzantine empire in about CE 330

Environmental Politics: A Very Short Introduction Andrew Dobson, 2016-01-28 Environmental politics has many faces and operates at multiple scales it preoccupies individuals as well as governments drives local agreements as well as international treaties results in minor business changes as well as wholesale business decisions and fluctuates between a politics of protest and one of accommodation In this Very Short Introduction Andrew Dobson offers a lively and comprehensive commentary on the many facets of environmental politics today Looking towards the future he asks whether environmental politics will be comfortably accommodated by mainstream politics or whether the advent of the Anthropocene a whole new geological epoch driven by human impact on the environment will herald a break with the politics of growth that has dominated social life

since the beginning of the Industrial Revolution ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable American Government in Black and White Paula Denise McClain, Steven C. Tauber, 2025 American Government in Black and White Diversity and Democracy Seventh Edition is a unique introduction to American government that uses racial and ethnic equality as its underlying theme Through the course of teaching students the standard topics about the American governmental system and politics authors Paula D McClain and Steven C Tauber address issues of inequality in major facets of government including the U S Constitution key American political institutions and instruments of political behavior and the making of public policy Using the original voices of racial and ethnic actors in our nation s history they show students how to measure and evaluate the quest for and importance of equality in America from its founding up to today *The U.S. Constitution: A Very Short Introduction* David J. Bodenhamer, 2018-03-15 Though the U S Constitution was ratified in 1788 its impact on our lives is as recent as today s news Claims and counterclaims about the constitutionality of governmental actions are a habit of American politics This document which its framers designed to limit power often has made political conflict inevitable It also has accommodated and legitimized the political and social changes of a vibrant powerful democratic nation A product of history s first modern revolution the Constitution embraced a new formula for government it restrained power on behalf of liberty but it also granted power to promote and protect liberty The U S Constitution A Very Short Introduction explores the major themes that have shaped American constitutional history federalism the balance of powers property representation equality rights and security Informed by the latest scholarship this book places constitutional history within the context of American political and social history As our nation s circumstances have changed so has our Constitution Today we face serious challenges to the nation s constitutional legacy Endless wars a sharply divided electorate economic inequality and immigration along with a host of other issues have placed demands on government and on society that test our constitutional values Understanding how the Constitution has evolved will help us adapt its principles to the challenges of our age ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **The U.S. Supreme Court: A Very Short Introduction** Linda Greenhouse, 2020-05-29 For 30 years Pulitzer Prize winning journalist Linda Greenhouse chronicled the activities of the U S Supreme Court and its justices as a correspondent for the New York Times In this Very Short Introduction she draws on her deep knowledge of the court s history and of its written and unwritten rules to show readers how the Supreme Court really works Greenhouse offers a fascinating institutional biography of a place and its people

men and women who exercise great power but whose names and faces are unrecognized by many Americans and whose work often appears cloaked in mystery How do cases get to the Supreme Court How do the justices go about deciding them What special role does the chief justice play What do the law clerks do How does the court relate to the other branches of government Greenhouse answers these questions by depicting the justices as they confront deep constitutional issues or wrestle with the meaning of confusing federal statutes Throughout the author examines many individual Supreme Court cases to illustrate points under discussion ranging from Marbury v Madison the seminal case which established judicial review to the recent District of Columbia v Heller 2008 which struck down the District of Columbia s gun control statute and which was surprisingly the first time in its history that the Court issued an authoritative interpretation of the Second Amendment To add perspective Greenhouse also compares the Court to foreign courts revealing interesting differences For instance no other country in the world has chosen to bestow life tenure on its judges The second edition of Greenhouse s Very Short Introduction tracks the changes in the Court s makeup over the last eight years considers the landmark decisions of the Obama and Trump eras and reexamines the precarious fates of such precedents as Roe v Wade A superb overview packed with telling details this volume offers a matchless introduction to one of the pillars of American government

Canada: A Very Short Introduction Donald Wright, 2020-07-23 Canada is not one nation but three English Canada Quebec and First Nations Yet as a country Canada is very successful in part because it maintains national diversity through bilingualism multiculturalism and federalism Alongside this contemporary openness Canada also has its own history to contend with with a legacy of broken treaties and residential schools for its Indigenous peoples making reconciliation between Canada and First Nations an ongoing journey not a destination Drawing on history politics and literature this Very Short Introduction starts at the end of the last ice age when the melting of the ice sheets opened the northern half of North America to Indigenous peoples and covers up to today s anthropogenic climate change and Canada s climate politics Donald Wright emphasizes Canada s complexity and diversity as well as its different identities and its commitment to rights and explores its historical relationship to Great Britain and its ongoing relationship with the United States Finally he examines Canada s northern realities and its northern identities ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Emotion: A Very Short Introduction Dylan Evans, 2019-09-26 Was love invented by European poets in the Middle Ages or is it part of human nature Will winning the lottery really make you happy Is it possible to build robots that have feelings In this Very Sort Introduction Dylan Evans explores these and many other intriguing questions in this guide to the latest thinking about the emotions Drawing on a wide range of scientific research from anthropology and psychology to neuroscience and artificial intelligence Evans takes the reader on a

fascinating journey into the human heart discussing the evolution of emotions and their biological basis the science of happiness and the role that emotions play in memory and decision making Greeted by critics as a pop science classic when it was first published in 2001 the book has now been thoroughly revised and updated to incorporate new developments in our understanding of emotions including new sections addressing the neural basis of empathy and the emotional impact of films ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Foucault: A Very Short Introduction Gary Gutting, 2019-09-26 Born in 1926 in France Foucault is one of those rare philosophers who has become a cult figure Over the course of his life he dabbled in drugs politics and the Paris SM scene all whilst striving to understand the deep concepts of identity knowledge and power From aesthetics to the penal system from madness and civilisation to avant garde literature Foucault was happy to reject old models of thinking and replace them with versions that are still widely debated today A major influence on Queer Theory and gender studies he was openly gay and died of an AIDS related illness in 1984 he also wrote on architecture history law medicine literature politics and of course philosophy In this Very Short Introduction Gary Gutting presents a wide ranging but non systematic exploration of some highlights of Foucault's life and thought Beginning with a brief biography to set the social and political stage he then tackles Foucault's thoughts on literature in particular the avant garde scene his philosophical and historical work his treatment of knowledge and power in modern society and his thoughts on sexuality This new edition includes feminist criticisms of Foucault's apparently sexist treatment of the Jouy case as well as a new chapter offering a unified overview of the Collège de France lectures now a major focus of interest in Foucault ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Geopolitics: A Very Short Introduction Klaus Dodds, 2019-07-25 Geopolitics is a slippery term From great power politics and speculation about resource scrambles to everyday encounters and objects such as smart phones it affects citizens corporations international bodies social movements and governments Geopolitics is far more than simply the impact of geographical features such as rivers mountains and climate on political developments Geography matters but not necessarily in the way that pundits and presidents assume In this Very Short Introduction Klaus Dodds tours the field of geopolitics encompassing both its intellectual historical origins and its current concerns As people struggle to cross borders moving a few feet either side of a territorial boundary can be a matter of life or death dramatically highlighting the connections between place and politics Even far away from the front lines of states geopolitics remains an important part of everyday life A country's connectivity location size and resources all affect how the

people that live there understand and interact with the wider world In this third edition Dodds includes new sections considering the rise of populism and economic nationalism as examples of how states people and corporations manage territorial frames for political projects such as Make America Great Again One Belt One Road and Brexit ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Philosophy: A Very Short Introduction Edward Craig, 2020-09-24 How ought we to live What really exists How do we know This Very Short Introduction discusses some of the key questions philosophy engages with Edward Craig explores important themes in ethics and the nature of knowledge and the self through readings from Plato Hume Descartes Hegel Darwin and Buddhist writers Throughout he emphasizes why we do philosophy explains how different areas of philosophy are related and explores the contexts in which philosophy was and is done This new edition includes a new chapter on free will discussing determinism and indeterminism in the context of Descartes and Hegel's work Craig also covers the Problem of Evil and Kant's argument on the source of moral obligation ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Contemporary Art: A Very Short Introduction Julian Stallabrass, 2020-12-10 Contemporary art has never been so popular but the art world is changing In a landscape of increasing globalization there is growing interest in questions over the nature of contemporary art today and the identity of who is controlling its future In the midst of this contemporary art continues to be a realm of freedom where artists shock break taboos flout generally received ideas and switch between confronting viewers with works of great emotional profundity and jaw dropping triviality In this Very Short Introduction Julian Stallabrass gives a clear view on the diverse and rapidly moving scene of contemporary art Exploring art's striking globalisation from the 1990s onwards he analyses how new regions and nations such as China have leapt into astonishing prominence over turning the old Euro American dominance on aesthetics Showing how contemporary art has drawn closer to fashion and the luxury goods market as artists have become accomplished marketers of their work Stallabrass discusses the reinvention of artists as brands This new edition also considers how once powerful art criticism has mutated into a critical and performative writing at which many artists excel Above all behind the insistent rhetoric of freedom and ambiguity in art Stallabrass explores how big business and the super rich have replaced the state as the primary movers of the contemporary art scene especially since the financial crisis and become a powerful new influence over the art world ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert

American Politics A Very Short Introduction Very Short Introductions Introduction

In the digital age, access to information has become easier than ever before. The ability to download American Politics A Very Short Introduction Very Short Introductions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download American Politics A Very Short Introduction Very Short Introductions has opened up a world of possibilities. Downloading American Politics A Very Short Introduction Very Short Introductions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading American Politics A Very Short Introduction Very Short Introductions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download American Politics A Very Short Introduction Very Short Introductions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading American Politics A Very Short Introduction Very Short Introductions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading American Politics A Very Short Introduction Very Short Introductions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download American Politics A Very Short Introduction Very Short Introductions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About American Politics A Very Short Introduction Very Short Introductions Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. American Politics A Very Short Introduction Very Short Introductions is one of the best book in our library for free trial. We provide copy of American Politics A Very Short Introduction Very Short Introductions in digital format, so the resources that you find are reliable. There are also many Ebooks of related with American Politics A Very Short Introduction Very Short Introductions. Where to download American Politics A Very Short Introduction Very Short Introductions online for free? Are you looking for American Politics A Very Short Introduction Very Short Introductions PDF? This is definitely going to save you time and cash in something you should think about.
