,2010 **The Mysterious Howling** Maryrose Wood,2015 Fifteen year old Penelope Lumley is hired as governess to three  
young children who have been raised by wolves and must teach them to behave in a civilized manner *Neo-Victorian  
Humour* ,2017-06-06 This volume highlights humour s crucial role in shaping historical re visions of the long nineteenth  
century through modes ranging from subtle irony camp excess ribald farce and aesthetic parody to blackly comic narrative  
games It analyses neo Victorian humour s politicisation its ideological functions and ethical implications across varied media  
including fiction drama film webcomics and fashion Contemporary humour maps the assumed distance between  
postmodernity and its targeted nineteenth century referents only to repeatedly collapse the same in a seemingly self  
defeating nihilistic project This collection explores how neo Victorian humour generates empathy and effective socio political  
critique dispensing symbolic justice but also risks recycling the past s invidious ideologies under the politically correct guise  
of comic debunking even to the point of negating laughter itself This rich and innovative collection invites us to reflect on the  
complex and various deployments of humour in neo Victorian texts where its consumers may wish at times that they could  
swallow back the laughter a scene or event provokes It covers a range of approaches to humour utilised by neo Victorian  
writers dramatists graphic novelists and filmmakers including the deliberately and pompously unfunny the traumatic the  
absurd the ribald and the frankly distasteful producing a richly satisfying anthology of innovative readings of canonical neo  
Victorian texts as well as those which are potential generic outliers The collection explores what is funny in the neo Victorian  
and who we are laughing at the Victorians as we like to imagine them or ourselves in ways we rarely acknowledge This is a  
celebration of the parodic playfulness of a wide range of texts from fiction to fashion whilst offering a trenchant critique of  
the politics of postmodern laughter that will appeal to those working in adaptation studies gender and queer studies as well  
as literary and cultural studies more generally Prof Imelda Whelehan University of Tasmania Australia **Le hurlement
