A Stranger In The Kingdom:

A Stranger in the Kingdom Howard Frank Mosher, 2014-05-27 This novel of murder and its aftermath in a small Vermont town in the 1950s is reminiscent of *To Kill a Mockingbird*. Absorbing The New York Times In Kingdom County Vermont the town's new Presbyterian minister is a black man an unsettling fact for some of the locals. When a French Canadian woman takes refuge in his parsonage and is subsequently murdered suspicion immediately falls on the clergyman. While his thirteen year old son struggles in the shadow of the town's accusations and his older son a lawyer fights to defend him a father finds himself on trial more for who he is than for what he might have done. Set in northern Vermont in 1952 Mosher's tale of racism and murder is powerful viscerally affecting and totally contemporary in its exposure of deep seated prejudice and intolerance. A big old fashioned novel Publishers Weekly A real mystery in the best and truest sense Lee Smith The New York Times Book Review A Winner of the New England Book Award

A STRANGER IN THE KINGDOM Don Bredes, Jay Craven, 1999 **A Stranger in the Kingdom** Howard Frank Mosher, 2002 Howard Frank Mosher has earned both critical acclaim and a wide readership for his vivid historical portraits of northern New England residents in his fictional Kingdom County Vermont. *A Stranger in the Kingdom* tells the unforgettable story of a brutal murder in a small town and the devastating events that follow. The authors of *A Many Colored Kingdom* explore Christian formation and teaching in the church with a particular focus on intercultural and interethnic relationships. Well qualified to speak on issues of diversity the authors describe relevant aspects of their own personal journeys key issues emerging from their studies and teaching germane to race culture and ethnicity and teaching implications that bring right practice to bear on church ministry. A final chapter contains a conversation among the authors responding to one another's insights and concerns.
