that serves as an indispensable resource for those interested in it including fans searching for reading material as well as for library staff scholars and romance writers themselves This title updates the last edition of Romance Fiction A Guide to the Genre published in 1999 While the emphasis is on newer titles many of the important older classics are retained keeping the focus of the book on the entire genre instead of only those titles published during the last decade Specific changes include new chapters on linked and continuing romances a new section on Chick Lit in the Contemporary Romance chapter an expansion of coverage on the alternative reality subset This is THE romance genre guide to have Courting Trouble Margaret Brownley, 2014-06-17 It's 1885 and five preachers sit around a campfire out West trading stories of unlikely couples they've seen God bring together This is one of those stories He's a wild West attorney and she's his beautiful client Could she really be guilty of murder Attorney Brock Daniels meets Grace Davenport in the least romantic setting he could imagine the town jail And yet her beauty and kindness capture his heart almost from the start But Grace is facing a tough jury in this rough and tumble town And the charges don't look good given her track record This last one makes her a widow three times over with each of her dead husbands worse than the last Geoffrey ate poisoned mushrooms Harry was so drunk he got thrown by a horse and Billy Joe went missing after Grace chased him down and gave him what for at the saloon where he'd gambled away all their food money Still Brock is a skilled attorney And Grace's son Jesse is determined to prove her innocence through researching case law at Brock's side until his mom is freed In the end Brock may be meeting Grace in front of a judge for an altogether more celebratory occasion as soon as she's cleared A delightfully romantic tale Maggie Brennan author of The Jewel of His Heart on And Then Came Spring in A Bride for All Seasons Brownley has a way with words that keeps the reader interested until the last page Romantic Times **Gunpowder Tea** Margaret Brownley, 2013-10-15 In a case that could change her career Miranda uncovers a love that will change her life When Miranda Hunt sees the classified ad for an heiress to the legendary Last Chance Ranch she knows assuming the identity of Annie Beckman is the perfect cover As one of the finest agents for the Pinkerton Detective Agency Miranda has been tasked with apprehending the Phantom an elusive and notorious train robber thought to be hiding on the sprawling ranch But she isn't the only one at the ranch with something to hide Wells Fargo detective Jeremy Taggart is working undercover as well Their true identities may be a secret but it is impossible for Jeremy and Miranda to hide the sparks flaring between them Neither is about to let romance interfere with such a huge case Besides Miranda hasn't removed Jeremy from her list of suspects yet The closer they get to uncovering the identity of the Phantom the more dangerous he gets and no one on the ranch is safe The longer Miranda and Jeremy spend working together the harder it becomes to keep their feelings in check Their careers and their lives depend on solving this case Love will just have to wait an absolute delight I spent the whole book reading with a grin on my face Mary Connealy best selling author of Petticoat Ranch for Dawn Comes Early **New York Times Saturday Review of Books and Art**, 1970 **Cue**, 1949 *The Folk Songs of North America, in the English Language*
