**Brian Sheldon, Geraldine Macdonald**

## **A Textbook Of Social Work A Textbook Of Social Work:**

**A Textbook of Social Work** Brian Sheldon, Geraldine Macdonald, 2010-02-25 This textbook provides a comprehensive discussion of social work practice and its evidence base. It strikes a balance between the need for social workers to understand the social, economic, cultural, and psychological factors which give rise to clients' problems and the need to know how best to respond with practical measures.

**Understanding Social Work** Neil Thompson, 2024-02-08 What is social work? How is it carried out? What skills does it require? Focusing on the challenges of achieving good practice, this popular textbook reflects on recent developments in social work within the context of contemporary society, law, and policy. Getting to the heart of what this profession is all about, it offers an excellent foundation for anyone wanting a better understanding of the social work role. Providing readers with a springboard for further learning and development, this book equips students to tackle the main topics encountered in social work studies, including the legal and policy framework, skills, and values. Reflects on the changing landscape of social work, including the impact of Covid and hybrid working, the changing role of state funding, and privatisation of services. Renewed focus on the significance of loss and grief and the decolonisation of social work discourse and practice. Includes practical exercises to prepare students for work in the field. Voice of Experience features to help readers place learning in context. Provides guidance on doing expert witness work from a leading name in the field of social work. Accompanying online resources are available at [bloomsburyonlineresources.com](https://www.bloomsburyonlineresources.com) the effective social worker. These resources are designed to support teaching and learning when using this textbook and are available at no extra cost.

**The Blackwell Companion to Social Work** Martin Davies, 2013-04-01 Fully revised and restructured, this fresh edition offers students and trainee social workers an incisive and authoritative introduction to the subject. As well as entirely new sections on theory and practice, the expert contributions which have shaped the companion's leading reputation have been updated and now include innovative standalone essays on social work theory. Comprehensively reworked new edition comprising six substantive sections covering essential topics for trainee social workers in effect six books in one. Includes an extensive introduction and chapters by leading experts on the focus and purpose of social work. Provides a unified textbook for trainees and an invaluable professional reference volume. Features a wealth of new material on theory and practice alongside detailed expositions of the social and psychological framework, stages in the human life cycle, and the objectives and core components of social work. Each chapter lists five key points to remember, questions for discussion, and recommendations for further reading.

*Social Work* Joyce Lishman, Chris Yuill, Jillian Brannan, Alastair Gibson, 2018-01-08 Packed full of case studies, activities, and tools for real-life practice, this book covers all the main topics in the first year of both the undergraduate and postgraduate degree in social work. To provide a holistic view of the field, it uses an integrated approach combining theory, policy, and practice.

*Social Work* Steve Rogowski, 2020-09-02 Rogowski's second edition of this bestselling textbook responds to the major changes to social work practice since the first edition was published. It is fully

revised and updated to include new material that is essential for students and practising social workers today Taking a critical perspective Rogowski evaluates social work's development nature and rationale over approximately 150 years He explores how neoliberalism is at the core of the profession's crisis and calls for progressive critical and radical changes to social work policy and practices based on social justice and social change This new edition is substantially updated to explore the impact of austerity policies since 2010 failures to realise the progressive possibilities which followed the death of Baby P contemporary examples of critical and radical practice It also includes a range of student friendly features including chapter summaries key learning and discussion points and further reading

**Social Work Law** Alison Brammer, 2020-03-12 Develop and expand legal skills using knowledge and practice Social Work Law 5th Edition by Alison Brammer is the market leading textbook for social work students and practitioners alike It serves as a comprehensive practical and accessible guide to the legal framework in the context of good social work practice for any student or social worker It provides a good understanding of the relevant law and practice essential for social workers operating within tight legal processes to discharge their powers properly The author provides a balanced account of the law as applied to children families and vulnerable adults Social Work Law uses a range of learning tools to help reinforce your understanding of the law in practice Learning objectives at the start of each chapter help structure your study Talking points in each chapter identify areas of debate for discussion Exercises and case studies offer a problem based learning application of the law End of chapter summaries identify the key points from each topic Further reading sections and website references encourage you to explore the area further Legal Skills for working in court and other aspects of the social work role help to demystify the law and encourage students and social workers to embrace law as part of their career long professional development This edition has been fully updated to take account of new legislation and case law as well as commentary on proposals for reform Additional cases self test questions and answers to the exercises are available on a companion website at go.pearson.com.uk he resources Alison Brammer is a solicitor and Professor in the School of Law Keele University Her specialist interests are Social Work Law Family and Child Law and Safeguarding Alison has spoken at national and international conferences is heavily involved with training work for Social Services Departments and is Legal Editor of the Journal of Adult Protection Pearson the world's learning company

**Social Work Skills and Knowledge: a Practice Handbook** Pamela Trevithick, 2011-11-16 What a sensible book a book born of much wisdom and practical experience Pamela Trevithick takes the reader on a wonderfully clear but thorough journey of social work's knowledge skills and values in which theories are elegantly put into practice The whole enterprise is reassuringly held together by a strong commitment to organised thinking and the value of the social work relationship For those who want to sharpen their ideas while keeping their practical feet firmly on the ground this is the book for you Professor David Howe University of East Anglia UK This new edition is an excellent resource for practitioners students and indeed managers in social work and social care who are committed to

effective practice and service delivery Trevithick provides a comprehensive knowledge and skills framework and excellent practice examples to enable the reader to apply the knowledge to undertaking skilled and effective practice This is a clear readily understandable and comprehensive text which also integrates the complexity of practising social work I highly recommend it Professor Joyce Lishman recently retired as Head of School of Applied Social Studies Robert Gordon University UK A fantastic guide to social work practice and one I would recommend for the bookshelf of any social work student It has a user friendly style that presents issues in an accessible way Kate Grant Social Work Student University of Bristol UK A brilliant MUST BUY book for all social workers It covers an amazing range of issues which are easy to find using the index I will use it constantly throughout my career Amanda Moorcroft Social Work Practitioner UK Since its first publication in 2000 this best selling text has been an invaluable resource for thousands of social workers preparing for life in practice Written by an influential academic practitioner it is widely regarded as the leading book in its field The third edition has been thoroughly updated to include sections on theoretical factual and practice knowledge Key features include 4 new chapters that integrate theory and practice in a Knowledge and Skills Framework or map of professional practice 80 social work skills and interventions 12 appendices describing a range of different social work approaches A wide range of practice examples linking theory and practice Social Work Skills is essential reading for all social work students and a valuable reference tool for practising social workers social services managers and human service professionals

**Understanding Social Work**

John Pierson, 2011-10-16 This scholarly and engaging volume shows us where social work has come from and so helps us understand and shape its future The author has a gift for making the profession s complex history accessible whilst respecting its intricacy The result is an illuminating tour de force a book that gives perspective and hope Suzy Braye Professor of Social Work University of Sussex UK Pierson s richly documented overview of social work s evolution in Britain promises to support coming generations of social workers in learning from their field s responses to changing issues and ideas on assistance for those in need J Lee Kreader Interim Director National Center for Children in Poverty Columbia University USA This introductory textbook provides a concise account of the development of social work in Britain from its beginnings in the industrial revolution to the present day The book seeks to recover overlooked experiences and important but forgotten debates whilst re examining the concepts and approaches developed by chief architects of the profession The book has several unique features designed to help students both understand the development of social work and to form their own judgements on the issues it raises Timelines that mark important practice and policy developments Discussion points that pose questions for readers to think through First hand testimony and excerpts from case records showing the viewpoints perspectives and decisions of social workers in earlier decades Documentary material that encourages students to critically reflect on the present in light of the past Understanding Social Work is written with the student and educator in mind in a style and format that makes the history of social work approachable relevant and profound The view of history embodied

here is of a continuously unfolding many sided phenomenon that offers a rich source of ethical insight practical experience and moral guidance      Social Work Vivienne E. Cree,2011 This inspiring Reader brings together some of the most significant ideas which have informed social work practice over the last forty years Exploring these fundamental ideas the book includes commentaries that allow the reader to understand the texts on their own terms as well as to be aware of their relations to each other and to the wider social work context      Essential Theory for Social Work Practice Chris Beckett,2006-03-21 I can say without equivocation this text is without doubt the best book about social work I have read Chris Beckett explores the purpose values activities and theories of social work in an ever changing social context that is clearly identified and examined Stephanie Petrie University of Liverpool Every day social workers face decisions that will significantly impact others lives and it is essential that these practical assessments are supported by a sound understanding of social work theory In this innovative and highly accessible textbook Chris Beckett explains how an understanding of these theoretical issues can improve the knowledge and skills base of professional practice Essential Theory for Social Work Practice is an engaging and readable text with a distinctively realistic and honest approach to the realities of everyday practice Framed in a comprehensive and logical structure Part 1 establishes what social workers do and the tools they need Part 2 considers how to assess handle and support change in others Part 3 explores the wide range of roles that social workers must fulfil Part 4 strengthens these links between theory and practice Exercises case examples chapter summaries and practice notes are used to great effect in each chapter enabling students to apply theory to practice as they progress through the book The book is an invaluable core text for all undergraduate social work students and offers excellent support for practitioners in their every day practice      A Brief Introduction to Social Work Theory David Howe,2009-05-01 This textbook offers the perfect introduction to the complex world of social work theory giving a concise yet comprehensive overview of how practice is influenced by each theoretical approach described The book begins by outlining the origins and historical context of social work which allows the reader to see show how theoretical fashions have changed and adapted to certain times and concludes with advice on the best way forward for the modern day social worker Packed with thought provoking discussions surrounding the topic students will be encouraged to question the theories portrayed a skill crucial to being a truly effective social work practitioner Written by one social work s most highly regarded commentators the book s accessible and easy to read writing style makes it a must have companion for students and practitioners looking to gain an overall view of social work theory      **Introduction to Social Work, Fourth Edition** Ira Colby,Sophia F. Dziegielewski,2015-06 There are certain questions that all students considering social work ask Who are social workers What is it that social workers do How is the social work profession changing What does it take to become a social worker Ira Colby and Sophia Dziegielewski bring their decades of experience in social work practice and education to answer these questions This engaging text gives readers a practical guide to the many ways in which social workers effect change in their communities and the world The authors

offer an overview and history of the profession introduce readers to the practice of social work at the micro mezzo and macro level and finally look closely at the many settings and populations that social workers work with While realistically portraying the pressures and obstacles that social workers face Colby and Dziegielewski communicate their own passion for social work

Social Work Skills Pamela Trevithick, 2005 The second edition is very welcome and represents an extremely useful addition to theory models texts Pam brings a very lively style of debate to these issues and extremely importantly adds a critical edge which is what students require within the realm of contemporary practice Professor Jonathan Parker Head of Department of Social Work University of Hull What skills do social workers need to become effective practitioners How can these skills be perfected and made transferable across different service user and carer groups contexts and countries How can these skills be used to enhance multi agency co operation and collaboration Written by an experienced academic practitioner the new edition of this best selling text is updated to include the current educational policy and practice context of social work It includes descriptions of over fifty social work skills with case examples to illustrate their creative use in practice Giving a name to these skills and being able to identify and demonstrate their effective use in contemporary social work practice highlights the importance of an evidence based and research led approach to practice In particular this edition contains new material on Social work methods practice approaches and perspectives The knowledge base of social work and the importance of the relationship between theory and practice How the terms skill and intervention are defined and effectively applied in practice The starting point for this text is that social work is and has to be a highly skilled activity It is important to stress this fact because social work practitioners work with some of the most complex unpredictable and troubling areas of human experience For this reason social work practice is also an intellectual activity This calls for practitioners to acquire a toolbox of skills that can be used to enable people to move forward Social Work Skills is essential reading for all social work students and a valuable reference text for practising social workers and human service professionals The SAGE

Handbook of Social Work Mel Gray, James Midgley, Stephen A Webb, 2012-06-22 This Handbook is the world's first generic major reference work to provide an authoritative guide to the theory method and values of social work in one volume Drawn from an international field of excellence the contributors each offer a critical analysis of their individual area of expertise The result is this invaluable resource collection that not only reflects upon the condition of social work today but also looks to future developments Split into seven parts the Handbook investigates Policy dimensions Practice Perspectives Values and ethics The context of social work Research Future challenges It is essential reading for all students practitioners researchers and academics engaged in social work

**Introducing Social Work** Jonathan Parker, 2023-04-05 Everything you need to succeed in your social work degree Written by subject experts this essential guide will introduce you to all the core areas of your course helping you develop the knowledge and skills you need to practice with confidence Since launching in 2003

Transforming Social Work Practice has become the market leading series for social work students These books use activities

and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning. These books are Affordable. Written to the Professional Capabilities Framework Mapped to the social work curriculum. Practical with clear links between theory and practice.

*A Textbook of Social Work* Brian Sheldon, Geraldine Macdonald, 2010-02-25 Where did professional social work originate from? How effective are social work interpretations in the lives of vulnerable people? *A Textbook of Social Work* provides a comprehensive discussion of social work practice and its evidence base. It strikes a balance between the need for social workers to understand the social, economic, cultural, psychological, and interpersonal factors which give rise to clients' problems and the need for them to know how best to respond with practical measures. Divided into three parts, the text covers the history and of social work as a movement and profession in the first, and social work methods and approaches in the second. The final part looks at the major specialisms including, among others, chapters on Children and families, Youth Offenders and substance misusers, Social work and mental health, Disabled people, Older People. Providing a comprehensive guide to conceptual and methodological issues in social work and containing plentiful case studies and examples, this book is an essential read for social work students as well as a valuable resource for practitioners and academics.

*Social Work* Marie Connolly, Louise Harms, 2009 *Social Work Context and Practice* is a comprehensive text that introduces students to the theory and practice of social work. A variety of social work environments are explored with the fields of practice covered by the book including work with the elderly, child protection, mental health, and drugs and alcohol, and community development. With an emphasis on cultural practice and field skill development, this text will be useful throughout student's entire degree and into their professional lives.

*Introducing Social Work* Lena Dominelli, 2009-03-16 In this lively introduction suitable for students at any level, Lena Dominelli explores the extraordinary scope and importance of social work. Using engaging examples from contemporary social work practice, she clearly answers questions about what social work is, how social workers work in a variety of settings, and the clients they are likely to deal with. She tackles head-on the dilemmas social workers face in their day-to-day work and the challenges of working with limited resources and marginalized social groups such as the elderly, the homeless, and abused children. This work will affirm the valuable contribution social workers can make to human wellbeing and demonstrate how the promise and potential of social work can be and is realized.

**Sociology and Social Work** Jo Cunningham, Steve Cunningham, 2014-03-24 Sociological perspectives and their application to social work are an inherent part of the QAA benchmark statements in the social work degree. In addition, graduates must understand how sociological perspectives can be used to dissect societal and structural influences on human behaviour at individual, group, and community levels. This fully revised second edition includes a new chapter on social class and welfare and is mapped to the new Professional Capabilities Framework for Social Work.

*An Introduction to Family Social Work* Donald Collins, Cathleen Jordan, Heather Coleman, Tara Collins, David Cory, 2023 *AN INTRODUCTION TO FAMILY SOCIAL WORK* Fifth Edition provides a strong

foundation in the concepts and skills you will need to succeed in practice with families The book offers engaging case studies end of chapter exercises illustrations and graphics to familiarize you with the topics at hand About the Authors Dr Collins is a Professor of Social Work at the University of Calgary He is also a part time family therapist and spent ten years as a volunteer family therapist and supervisor His research and areas of interest include social work education social work practice couples families and individuals of all ages child abuse family violence teaching and learning issues program and case level evaluation and case management Dr Collins has authored and co authored numerous articles and texts Dr Cathleen Jordan is Professor of Social Work at the University of Texas at Arlington where she has taught in the master s and doctoral programs since 1985 Her areas of expertise are family assessment and treatment clinical research and family work issues She currently serves as chair of the Direct Practice Sequence and Secretary of the Board for NASW Texas She is co author of additional texts including Family Practice Brief Systems Methods for Social Work and Family Treatment Evidence Based Practice with Populations at Risk Dr Heather Coleman is a Professor of Social Work at the University of Calgary and a practicing clinical social worker for more than 15 years Her research areas include social work education child and family and her areas of interest include family violence family preservation gender issues First Nations and addictions human sexuality and clinical practice Dr Coleman currently serves on the Board of Directors for the Canadian Association of Schools of Social Work She has authored and co authored numerous articles and texts

## **A Textbook Of Social Work A Textbook Of Social Work Introduction**

In today's digital age, the availability of A Textbook Of Social Work A Textbook Of Social Work books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of A Textbook Of Social Work A Textbook Of Social Work books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of A Textbook Of Social Work A Textbook Of Social Work books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing A Textbook Of Social Work A Textbook Of Social Work versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, A Textbook Of Social Work A Textbook Of Social Work books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing A Textbook Of Social Work A Textbook Of Social Work books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for A Textbook Of Social Work A Textbook Of Social Work books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, A Textbook Of Social Work A Textbook Of Social Work books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of A Textbook Of Social Work A Textbook Of Social Work books and manuals for download and embark on your journey of knowledge?

### **FAQs About A Textbook Of Social Work A Textbook Of Social Work Books**
