### **A Three Pipe Problem:**

**A Three-Pipe Problem** Julian Symons, 2014-07-01 Actor Sheridan Haynes had a preoccupation with Sherlock Holmes So when the chance came for him to play the part in a TV series his dreams had come true And when London was plagued by a series of unsolved murders it seemed natural for him to investigate Was this a case of a misguided actor or was Sheridan actually on to something

**A Three-Pipe Problem** Julian Symons, 2013 Small time actor Sheridan Haynes has a rather unhealthy preoccupation with Sherlock Holmes So when the chance comes for him to play the famous detective in a TV series it seems his dreams have come true And when London becomes plagued by a series of unsolved murders well it seems only natural for him to take his role into real life Is this a case of a laughable and misguided actor or is Sheridan actually on to something The Green Popular Penguins Story It was in 1935 when Allen Lane stood on a British railway platform looking for something good to read on his journey His choice was limited to popular magazines and poor quality paperbacks Lane s disappointment at the range of books available led him to found a company and change the world In 1935 the Penguin was born but it took until the late 1940s for the Crime and Mystery series to emerge The genre thrived in the post war austerity of the 1940s and reached heights of popularity by the 1960s Suspense compelling plots and captivating characters ensure that once again you need look no further than the Penguin logo for the scene of the perfect crime
