A Visionary Life Conversations On Personal And Planetary Evolution:

A Visionary Life Marc Allen, 2011-02-08 In *Visionary Business* Marc Allen revealed 12 keys to building a successful organization. In this book he turns his attention to the even more vital process of building a fulfilling life. This book gives readers the simple keys to changing their lives step by step, helping them to first envision and then move toward realizing their deepest dreams and highest aspirations.

The Millionaire Course Marc Allen, 2003 Presents a plan for making personal dreams come true without sacrificing core values or compassion in the search for wealth, success and happiness.

Still the Mind Alan Watts, 2010-10-05 Mark Watts compiled this book from his father's extensive journals and audiotapes of famous lectures he delivered in his later years across the country. In three parts Alan Watts explains the basic philosophy of meditation, how individuals can practice a variety of meditations, and how inner wisdom grows naturally.

The Magical Path Marc Allen, 2012 At the start of his career Marc Allen never took a business course; he simply made what he calls a sloppy, disorganized, lazy and intuitive search through the books of Western magic. There he found the tools that took him from being a poverty case to a multimillionaire and helped him create one of the most successful independent publishers in the country. In *The Magical Path* he presents these tools, effective, easy to apply practices including affirmation, visualization and guided meditation that can change the course of readers' lives in miraculous ways as they did his. Because these tools are so simple and powerful, Allen calls them magic. But far from esoteric, they are tools anyone can use to achieve their dreams and goals.

The Ten Percent Solution Marc Allen, 2011-02-08 This short, powerful work is potentially life-changing for it is filled with simple solutions to the difficult problems that confront us individually and globally. Marc Allen offers clear, doable solutions to both our personal financial problems and global problems. Key to many of these solutions is both saving and giving away 10 percent of our income, also known as tithing. By taking the kinds of actions recommended in this book, we can not only achieve financial security but also contribute substantially to a better world as well. *The Ten Percent Solution* shows us how to become part of the solution rather than part of the problem. The rewards we receive along the way are limitless, both personally and globally.

Tantra for the West Marc Allen, 2015-05-08 A Direct Path to Living the Life of Your Dreams. What does tantra have to do with your relationships, work, money, creativity, sex, food and drink, being alone, meditation and yoga, aging and healing, politics, freedom and enlightenment? Everything. Tantra is usually thought of as sex with some kind of mysticism thrown in. Marc Allen goes back to the original meaning of tantra and shows how it can be applied to every moment of your life, excluding nothing. *Tantra for the West* is filled with ancient and modern principles and practices that help you use all your experiences as part of your mental, emotional and spiritual growth. Within your way of life, whatever it may be, within your everyday thoughts and feelings, within your fantasies and dreams are the keys to love, freedom and fulfillment. As soon as you can see this, you'll find yourself on a direct path to realizing the life of your dreams. This highly acclaimed book has inspired readers all over the world for over thirty years and is now completely revised with new material added. It gives
