A Warriors Heart Marastin Dow Warriors Book 11:

A Warrior's Heart S.E. Smith, 2015-06-07 Ben and Aaron Cooper's life had never been one of ease. Deserted by their mother and raised by a drunken father, they fought to survive on the Kansas farm where their father worked. Life deals them a horrendous twist when they are kidnapped by an alien trader and sold. Ben, the oldest, by sixteen months, convinces the aliens who enslave them that he and Aaron will die if they are separated. It is the only way he can think of to keep them together and protect his younger brother. The next fifteen years prove to be the most challenging of their lives. They do what they have to in order to survive. They are convinced their time has come to an end when the freighter they are on is attacked by a species known for their lust for blood and killing. Evetta and Hanine Marquette are Marastin Dow, a species whose leaders thrive on living in the old ways where only the strongest, most ruthless are allowed to live. The life expectancy for most Marastin Dow is short, especially on one of the warships that all Marastin Dow, male or female, are expected to serve a mandatory service. Advancement usually comes by murder. Evetta and Hanine want a different life and work together to stay alive in the hopes of finding a life away from the constant threat of death. Life changes for them when they encounter two strange and unusual alien males. When the males' lives are endangered, there is only one thing these warrior women can do to save them: run. A NY Times and USA Today bestselling author, the internationally acclaimed S.E. Smith presents a new story with her signature humor and unpredictable twists. Exciting adventure, hot romance, and iconic characters have won her a legion of fans. Over TWO MILLION books sold.

Among the Valdier twin dragons are feared above all others. Within a prison camp on a mining asteroid, Melina has disguised her gender for years. Long ago, Cree and Calo witnessed the catastrophic end of the only other twin dragon shifters in existence, and they swore they would never let themselves go that far down the path of madness. Since then, they have earned the Dragon Lords' trust, but the infamous insanity that besieged the first twin dragons is now beginning to take over their senses, just as all the Dragon Lords have found their true mates. After so long without a mate of their own, Cree and Calo's dragons are pushing them to do something that would surround them with devastating death and a bitterly waged war. There has never been a woman who can handle a lifetime with two dragon shifters, and they don't expect that to change now when they desperately need a partner to save their sanity. Hope can spring from unexpected places, however, as the twins find out when they rescue an old man and his suspiciously mysterious grandson from an abandoned mining asteroid. The twin dragon shifters are two of the most fearsome warriors in the galaxy, but helpless to resist, they are launched into a confused and conflicted journey to a distant planet called Earth at the behest of their true mate.
