A Song Of Ice And Fire 2016 Calendar

Sarah Dimick

A Song Of Ice And Fire 2016 Calendar:

Queenship and the Women of Westeros Zita Eva Rohr, Lisa Benz, 2019-11-07 Is the world of George R R Martin's *A Song of Ice and Fire* and HBO's *Game of Thrones* really medieval? How accurately does it reflect the real Middle Ages? Historians have been addressing these questions since the book and television series exploded into a cultural phenomenon. For scholars of medieval and early modern women, they offer a unique vantage point from which to study the intersections of elite women and popular understandings of the premodern world. This volume is a wide-ranging study of those intersections. Focusing on female agency and the role of advice, it finds a wealth of continuities and contrasts between the many powerful female characters of Martin's fantasy world and the strategies that historical women used to exert influence. Reading characters such as Daenerys Targaryen, Cersei Lannister, and Brienne of Tarth with a creative, deeply scholarly eye, *Queenship and the Women of Westeros* makes cutting-edge developments in queenship studies accessible to everyday readers and fans.

The Witches' Almanac, Issue 34, Spring 2015-Spring 2016 Theitic, 2014-09-01 Founded in 1971 by Elizabeth Pepper, the art director of *Gourmet* magazine for many years, *The Witches' Almanac* is a witty, literate, and sophisticated publication that appeals to general readers as well as hard-core Wiccans. At one level, it is a pop reference that will fascinate anyone interested in folklore, mythology, and culture, but at another, it is the most sophisticated and wide-ranging annual guide for the Wiccan enthusiast. Modeled after the *Old Farmers' Almanac*, it includes information related to the annual Moon Calendar, weather forecasts, and horoscopes, as well as legends, rituals, herbal secrets, interviews, mystic incantations, and many a curious tale of good and evil. Although it is an annual publication, only about 15 percent of the content is specific to the date range of each issue. The theme of Issue 34, Spring 2015-Spring 2016, is Fire. The Transformer, and among our lineup of obscurities is the Krampus, a Wassail recipe, Botanicals, the Restless Dead, Rum, and the Tibetan Dorje. *Representing Royalty* Julia Kinzler, 2018-07-27 Since the early days of cinema, filmmakers have been intrigued by the lives and loves of British monarchs. The most recent productions by ITV and Netflix show that the fascination with British royalty continues unabated both in Britain and around the world. This book examines strategies of representing power and the staging of myths of power in seven popular films about British monarchs that were made after the mid-1990s revival of the royal biopic genre. By combining approaches from cultural studies with concepts and theories from the humanities such as film studies and art history, it offers a comprehensive understanding of the cinematic portraits of royalty. In addition, the volume opens up new perspectives on how meaning is generated in films about the monarchy and on the connections between the biographical narratives. The introductory chapter to the case studies reviews the different academic positions on representations of royalty, provides a toolkit for studying the subject, and demonstrates ways to approach the films. The book addresses questions of historical context and goes beyond a mere exploration of historical accuracy to reveal the films' underlying ideological aims. As such, it makes a distinctive new contribution to the growing body of interdisciplinary work on the British monarchy in

general and its cinematic representations in particular It is the first monograph about representational mechanisms of royal identities and British past s in royal films such as *Elizabeth The Queen* and *The King s Speech* *Chase's Calendar of Events 2016* Editors of Chase's,2015-09-11 Chase s Calendar of Events is the most comprehensive and authoritative reference available on special events holidays federal and state observances historic anniversaries astronomical phenomena and more Published since 1957 Chase s is the only guide to special days weeks and months American/Medieval Gillian R. Overing,Ulrike Wiethaus,2016-10-10 This volume offers a dialogue with and through the medieval informed by cultural categories of performativity and simultaneity in on line media architecture film poetry and social formations The articles depart from Medievalism Studies and attempt to answer questions such as How do medievalists artists writers and entertainment industries communicate replicate and evoke medieval formations How do national and transnational discursive fields relate to understandings of the medieval in its many unstable states Where are the communal memory sites and what functions do they serve for those who are associated with them Where are the medieval disjunctions and conjunctions of race ethnicity and time in a settler society And what do place nature and landscape have to do with it Fire and Ice Richard L. Davis,2016-08-01 A Song of Ice and Fire 2017 Calendar George R. R. Martin,2016 **Unseasonable** Sarah Dimick,2024-10-08 As climate change alters seasons around the globe literature registers and responds to shifting environmental time A writer and a fisher track the distribution of beach trash in Chennai chronicling disruptions in seasonal winds and currents along the Bay of Bengal An essayist in the northeastern United States observes that maple sap flows earlier now prompting him to reflect on gender and seasons of transition Poets affiliated with small island nations arrive in Paris for the United Nations climate summit revamping the occasional poem to attest to intensifying storm seasons across the Pacific In *Unseasonable* Sarah Dimick links these accounts of shifting seasons across the globe tracing how knowledge of climate change is constructed conveyed and amplified via literature She documents how the unseasonable reverberates through environmentally privileged and environmentally precarious communities In chapters ranging from Henry David Thoreau s journals to Alexis Wright s depiction of Australia s catastrophic bushfires from classical Tamil poetry to repeat photography Dimick illustrates how seasonal rhythms determine what flourishes and what perishes She contends that climate injustice is an increasingly temporal issue unfolding not only along the axes of who and where but also in relation to when Amid misaligned and broken rhythms attending to the shared but disparate experience of the unseasonable can realign or sharpen solidarities within the climate crisis *Billboard* ,1954-01-16 In its 114th year *Billboard* remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Making the Movement David L. Crane,2022-09-20 Packed with over 200 color photos this visual journey through Black history and the Civil Rights Movement is told through the objects buttons badges flyers

pennants posters and more designed by activists as tools to advance the fight for justice and freedom offering a unique perspective on the Civil Rights Movement from Emancipation through the present day From Reconstruction through Jim Crow through the protest era of the 1960s and 70s to current day resistance and activism such as the Black Lives Matter movement the material culture of the Civil Rights Movement has been integral to its goals and tactics During decades of sit ins marches legal challenges political campaigns boycotts and demonstrations objects such as buttons flyers pins and posters have been key in the fight against racism oppression and violence Making the Movement presents more than 200 of these nonviolent weapons alongside the stories of the activists organizations and campaigns that defined and propelled the cause of civil rights It is a must read for anyone seeking to learn about Black and African American history in the United States and about strategies to combat racism and the structures that support it

Calendar A Song of Ice and Fire George R. R.
