**Taking America Back for God** Andrew L. Whitehead, Samuel L.

Perry, 2020-02-03 Why do so many conservative Christians continue to support Donald Trump despite his many overt moral failings Why do many Americans advocate so vehemently for xenophobic policies such as a border wall with Mexico Why do many Americans seem so unwilling to acknowledge the injustices that ethnic and racial minorities experience in the United States Why do a sizeable proportion of Americans continue to oppose women's equality in the workplace and in the home To answer these questions *Taking America Back for God* points to the phenomenon of Christian nationalism the belief that the United States is and should be a Christian nation Christian ideals and symbols have long played an important role in American public life but Christian nationalism is about far more than whether the phrase under God belongs in the pledge of allegiance At its heart Christian nationalism demands that we must preserve a particular kind of social order an order in which everyone Christians and non Christians native born and immigrants whites and minorities men and women recognizes their proper place in society The first comprehensive empirical analysis of Christian nationalism in the United States *Taking America Back for God* illustrates the influence of Christian nationalism on today's most contentious social and political issues Drawing on multiple sources of national survey data as well as in depth interviews Andrew Whitehead and Samuel Perry document how Christian nationalism shapes what Americans think about who they are as a people what their future should look like and how they should get there Americans stance toward Christian nationalism provides powerful insight into what they think about immigration Islam gun control police shootings atheists gender roles and many other political issues very much including who they want in the White House *Taking America Back for God* is a guide to one of the most important and least understood forces shaping American politics

*Playing God* Mary Jo McConahay, 2023-03-14 A fascinating investigative dive both alarming and enlightening Jane Mayer author of *Dark Money* The definitive account of how a group of American Catholic bishops are using dark money and allying with ultra right evangelicals in an attempt to remake America Seasoned Catholic journalist and former war correspondent Mary Jo McConahay tells the story of how the United States Conference of Catholic Bishops have become one of the most formidable and reactionary forces in America by campaigning to alter democratic institutions under the guise of religious liberty and allying with major right wing contributors such as the Kochs In fact many of the bishops two hundred and twenty nine men almost all white and beyond middle age are such staunch opponents of Pope Francis that some US Catholics fear a schism with Rome The influence of these bishops can be traced in recent news stories such as when they maneuvered to deny the Eucharist to pro choice politicians like President Biden With their lay partners the bishops also help shepherd cases into the Supreme Court that change the law of the land as with *Roe v Wade* But as McConahay details that's just the tip of the iceberg In an investigation reminiscent of Jane Mayer's *Dark Money* she uncovers an ominous and long term political strategy of attacking secular liberal democracy by waging war

on democratic norms and institutions      *Receptive Ecumenism as Transformative Ecclesial Learning* Paul D. Murray, Gregory A. Ryan, Paul Lakeland, 2022-05-26

Receptive Ecumenism asks not what other churches can learn from us but what can we learn and receive with integrity from our ecclesial others Since the publication of *Receptive Ecumenism and the Call to Catholic Learning Exploring a Way for Contemporary Ecumenism* OUP 2008 this fresh ecumenical strategy has been adopted critiqued and developed in different Christian traditions and in local national and international settings including the most recent bilateral dialogue of the Anglican Roman Catholic International Commission ARCIC III The thirty eight chapters in this new volume by academics church leaders and ecumenical practitioners who have adopted and adapted Receptive Ecumenism in various ecclesial and cultural contexts show how Receptive Ecumenism has grown and matured Part One demonstrates how Receptive Ecumenism itself is capable of being received with integrity into very different ecclesiologies and ecclesial traditions In Part Two this approach to transformative ecumenical learning is applied to some recurrent ecclesial problems such as the understanding and practice of ministry revealing new insights and practical opportunities Part Three examines the potential and challenges for Receptive Ecumenism in different international settings Part Four draws on scripture hermeneutics and pneumatology to offer critical reflection on how Receptive Ecumenism itself implements transformative ecclesial learning Addressing the 70th Anniversary of the World Council of Churches Archbishop Justin Welby said that One of the most important of recent ecumenical developments has been the concept of Receptive Ecumenism This volume provides an indispensable point of reference for understanding and applying that concept in the life of the Christian churches today
