stunning achievement in speculative fiction A Voyage to Arcturus has inspired enchanted and unsettled readers for decades It is simultaneously an epic quest across one of the most unusual and brilliantly depicted alien worlds ever conceived a profoundly moving journey of discovery into the metaphysical heart of the universe and a shockingly intimate excursion into what makes us human and unique After a strange interstellar journey Maskull a man from Earth awakens alone in a desert on the planet Tormance seared by the suns of the binary star Arcturus As he journeys northward guided by a drumbeat he encounters a world and its inhabitants like no other where gender is a victory won at dear cost where landscape and emotion are drawn into an accursed dance where heroes are killed reborn and renamed and where the cosmological lures of Shaping who may be God torment Maskull in his astonishing pilgrimage At the end of his arduous and increasingly mystical quest waits a dark secret and an unforgettable revelation A Voyage to Arcturus was the first novel by writer David Lindsay 1878 1945 and it remains one of the most revered classics of science fiction This commemorative edition features an introduction by noted scholar and writer of speculative fiction John Clute and a famous essay by Loren Eiseley     *A Voyage to Arcturus* David Lindsay,2018-04-19 A Voyage to Arcturus is a novel by the Scottish writer David Lindsay It combines fantasy philosophy and science fiction in an exploration of the nature of good and evil and their relationship with existence It has been described by the critic and philosopher Colin Wilson as the greatest novel of the twentieth century and was a central influence on C S Lewis s Space Trilogy We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience     **The Publishers Weekly** ,1968-11     **A Voyage to Arcturus Illustrated** David Lindsay,2020-10-21 A Voyage to Arcturus is a novel by the Scottish writer David Lindsay first published in 1920 It combines fantasy philosophy and science fiction in an exploration of the nature of good and evil and their relationship with existence Described by critic novelist and philosopher Colin Wilson as the greatest novel of the

A Voyage to Arcturus - The Original Classic Edition ,2012-04-01 Finally available a high quality book of the original classic edition of A Voyage to Arcturus It was previously published by other bona fide publishers and is now after many years back in print This is a new and freshly published edition of this culturally important work by David Lindsay which is now at last again available to you Enjoy this classic work today These selected paragraphs distill the contents and give you a quick look inside A Voyage to Arcturus What amazes me she half whispered after ten minutes of graceful hollow conversation is if you must know it not so much the manifestation itself though that will surely be wonderful as your assurance that it will take place The star which to the naked eye appeared as a single yellow point of light now became clearly split into two bright but minute suns the larger of which was still yellow while its smaller companion was a beautiful blue Nightspore s eyes wandered about the room finally seeming to linger upon a glass fronted wall cupboard which contained a few old bottles on one of the shelves and nothing else Nightspore seemed unwilling to answer but finding Maskull s eyes still fixed on him he brought out Unless light pulled as well as pushed how would flowers contrive to twist their heads around after the sun While he was still talking with his hand on the smaller bottle the other which was lying on its side accidentally rolled over in such a manner that the metal caught against the table

**A Voyage to Arcturus** David Lindsay,2021-03-31 The story takes place in Tormance This is an imaginary planet that orbits the star Arcturus In the novel but not actually it is a binary star system made up of Branchspell a large yellow solar star and Alppain a smaller star The novel says that it is 100 light years from Earth
