Aggression Control Stephen Alexander Mackenzie, 2009 Most K9 trainers are beginning to understand the advantages of non compulsive training methods for teaching aggression control When Stephen Mackenzie started his career training police service dogs trainers relied on pain to teach dogs what was expected of them and motivation was limited to their love of biting on one hand and their desire to avoid painful consequences on the other The idea that aggressive dogs could learn in non compulsive ways was slow to take root but is now widely accepted Mackenzie describes several different approaches for training dogs in aggression control and teaching them to release the decoy without using compulsion He explains in detail the use of the muzzle the self out and various toys and games so trainers can use the techniques they prefer Advice for decoys on controlling the dog's excitement level and the use of equipment to help the trainer are also included

K9 Aggression Control Stephen A. Mackenzie, 2017-10-16 Includes a new chapter on indicating without biting Aggression control training requires dogs to think while they are excited and under stress which is no easy task Dr Stephen A Mackenzie has been teaching and using non compulsive methods for aggression control training for more than 30 years His techniques have worked for hundreds of dogs and have been used and adapted by many skilled trainers and decoys for their individual circumstances K9 Aggression Control provides a flexible approach to aggression control that is rooted in obedience training You may be someone who uses a muzzle sees a role for toys and games and works with a decoy who likes to drop the sleeve or you might not want a muzzle toy or dropped sleeve anywhere near your dog either way this book has options for you It details techniques and variations so you can choose the options you prefer Dr

Mackenzie also gives decoys sound advice on controlling a dog's excitement level working with handlers and making the best use of equipment. A new chapter in this revised and updated edition shows you how to train dogs to indicate a person's location without biting, essential for the search and rescue trainer and a real plus for modern police forces looking for ways to reduce liability. Learn how to Choose the right dog and training method. Train dogs that will out reliably in all situations. Solve common problems in aggression control training.

K9 Decoys and Aggression Stephen A. Mackenzie, 2015-10-19. Learn how to Master the basic skills and common procedures every decoy needs. Read dogs accurately through seven key factors. Stimulate and reward useful forms of K9 aggression. A good decoy is a K9 trainer's most valuable tool. A good decoy can make a poor dog better, a mediocre dog good, and a good dog excellent. A poor decoy on the other hand can have devastating effects, ruining even a good dog. Stephen Mackenzie, professor of animal science and deputy sheriff with more than 30 years experience training and handling police dogs, shows you how to master the art of being a decoy in this revised and updated new edition. You'll learn how to communicate effectively with your canine partner and how to stimulate specific types of aggression in the dog in a safe, positive way. This guide is essential reading for all decoys, including both instructors and students. It will improve the effectiveness of all K9 personnel, handlers and trainers.
